Boris: Turning down Tour was a 'no-brainer'

LONDON mayor Boris Johnson said it was a "no brainer" to turn down the opportunity for the city to host the start of the Tour de France in 2017.

The cycling enthusiast said it was "entirely my call" to pull out of the event, believing the £35million cost could be better spent.

Transport for London announced that it would not host the Tour de France Grand Depart because it did not represent value for money.

Boris (above) said: "I had to take a tough decision, obviously painful. In an ideal world, you know me, my policy is to have your cake and eat it."

"The difficulty was we had to make a choice. £35million is an awful lot to spend on a one-off event when you could put that money in to long term projects."

"For me it was a no brainer."

Oldies ban on Everest

NEPAL is considering placing age and fitness restrictions on people who want to climb Mount Everest.

A spokesman for the Himalayan country's ministry of tourism said its government may bar very young and very old climbers, as well as people with disabilities.

The new rules could also require that climbers attempting to scale the 29,029-ft mountain have experience on medium-sized peaks.

The spokesman added that Everest should be a place of adventure, "not death".

TULISA: FAKE SHEIKH CHARGED

CLEARED:
Pop star
Tulisa

By HAYDEN SMITH

news@sundaysport.co.uk

THE undercover reporter known as the "Fake Sheikh" has been charged with conspiring to pervert the course of justice after the collapse of the drugs trial of pop star Tulisa.

Mazher Mahmood, a former reporter on the *News of the World*, is alleged to have misled the court, the Crown Prosecution Service said.

In a statement issued through his lawyers, Mahmood said: "I am deeply disappointed that, after a totally unjustified delay, the Crown Prosecution Service have informed me that they have decided to charge me with conspiracy to pervert the course of justice."

"I deny the offence. I will vigorously contest it at court. In the meantime I have nothing further to say."

Mahmood is charged alongside Alan Smith, a driver, and the pair will appear at Westminster Magistrates' Court in London on October 30.

Statement

Nick Vamos, deputy head of Special Crime at the CPS, said: "The CPS has charged Mazher Mahmood and Alan Smith with conspiring to pervert the course of justice."

"After carefully considering all of the evidence, the CPS has decided that there is sufficient evidence for a realistic prospect of conviction and it is in the public interest to charge both men."

"This decision comes after it was alleged that Mr Smith agreed with Mr Mahmood to change his statement to police as part of a trial in July 2014, and that Mr Mahmood then misled the court."

Former N-Dubz star Tulisa, 27, went on trial last year after allegedly brokering a cocaine deal which featured in an expose in the *Sun on Sunday* in June 2013 following an investigation by Mahmood.

She vehemently denied a charge of being concerned with the supply of Class A drugs.

In July last year a judge threw out the case at Southwark Crown Court.

Corbs: You are allowed to say NO

JEREMY Corbyn used his first conference speech as Labour leader to send a message to voters: "You don't have to take what you are given."

He rejected Tory claims that there is "no alternative" to cuts in jobs, public services and the NHS, rising university fees and growing poverty, telling the party's conference in Brighton: "Our Labour Party says No."

Just two weeks after being elected party leader in a landslide vote, the Islington North MP declared that he would stand for "a kinder politics, a more caring society".

And he dismissed Tory accusations that he represents a threat to Britain's security, insisting it is the Government which threatens the security of tenants in insecure rented homes, carers losing local government support, young people locked out of the housing market, families losing benefits and 2.8 million households forced into debt by stagnant wages.

But he insisted the party's policies will be subject to a review, with Labour members having "the final say".

Migrant crushed in UK-bound lorry

A YOUNG Iraqi migrant has been found crushed to death in a truck after apparently sneaking on to the vehicle in a bid to reach Britain, French authorities said.

The 20-year-old man was discovered in the back of the HGV near the Port of Calais at around 7am yesterday morning.

The Hungarian lorry driver found his body after inspecting his load.

Two other members of the Iraqi man's family were also found on board the lorry but were unhurt.

He is the 12th migrant to die since the start of the cross-Channel migrant crisis, which has put UK police and social services under huge strain.

An estimated 5,000 migrants displaced from countries including Syria are believed to be camped in and around Calais.

CARREY EX, 28, FOUND DEAD

HOLLYWOOD star Jim Carrey's ex-girlfriend Cathriona White, 28, has committed suicide, just days after the couple split.

The Irish make-up artist (left) was found dead at her Los Angeles home on Monday night, after two friends called.

News of her death comes just five days after breaking up with the *Ace Ventura* actor, 53, for a second time.

Sources say Miss White left a suicide note in which she said she broke up with Carrey

on September 24. That was the same day that she posted on Twitter: "Signing off Twitter, I hope I have been a light to my nearest and dearest."

It's believed that White, originally from Cappawhite in Ireland's Co. Tipperary, died from a drug overdose.

The couple first met in 2012 but by March the following year it was all over, before they rekindled their romance in May this year and were seen holding hands in New York.

Strictly star Ogogo's bum flash horror

STRICTLY Come Dancing star Anthony Ogogo has spoken about his first live show nightmare that saw him **SPLITTING** his trousers.

The middleweight boxer and his partner Oti Mabuse took to the dance floor in Friday night's *Strictly* return, but it did not quite go as planned.

The couple's jive to Wham's *Wake Me Up Before You Go Go* was so lively that Ogogo's trousers ripped.

Talking to Zoe Ball on *It Takes Two*, the 26-year-old said: "It happened really early, and I thought, 'Oh dear God! Do I just carry on?' I carried on."

"The big one happened half-way through. At that point in the dance, we looked at each other. My eyes were like a deer in the headlights!"

"At the very end, I was really worried about the split at the back going to the front. No-one wants to see that!"

Gail plans to lose her 30G boobs

BUSTY Gail Porter plans to have her famous boobs **REDUCED**.

The *Celebrity Big Brother* reject became a household name after a naked snap of her was projected onto the side of the House of Parliament for a publicity stunt.

But after losing her blonde locks to alopecia years later the Edinburgh born babe (above) became depressed and began to pile on the pounds.

Gail, 44, says she has now taken up jogging to battle the bulge – and finds her 30G tits hold her back.

She said: "I always think about having a reduction. At first I was too scared. Then, once I plucked up the courage, I was too skint."

Mum-of-one Gail also told how during her stint as presenter of Channel 4's *The Big Breakfast* she would have a morning pint with co-star Chris Evans.

She added: "When we left at 9am everyone wanted to go to the pub. If Chris was around he'd knock on the door of any pub and they'd let us in."

Cop cleared of hooker sex attack

A POLICE officer has been cleared of sexually assaulting a prostitute but may face a retrial over claims that he bombarded her with texts and calls in a campaign of stalking.

PC Irshad Kamal, 47 (above), was accused of attacking the woman in November 2013, when she claimed he tore her clothes off when they met for a £120-an-hour sex session, grabbing her around the throat and pulling her hair.

A jury at the Old Bailey failed to agree on a second charge of stalking against Kamal, who is based in the south London borough of Merton, and who will now have to wait until next Friday to learn whether he will face a retrial.

It is alleged he sent her a deluge of texts and calls over several weeks after refusing to sleep with him again, and he was allegedly seen standing outside her flat.

Kamal, of Wandsworth, denied stalking and sexual assault.

He was freed on bail until the next hearing.

Dog walker dies after car smash

A DOG walker has died after his pet bolted across a busy road into the path of an oncoming car.

The man, aged in his 60s, was walking his dog on a lead in Dovercourt, Essex, when it dragged him into the road.

He suffered head injuries in the incident but went home and later felt increasingly unwell before being taken to hospital where he died, Essex Police said.

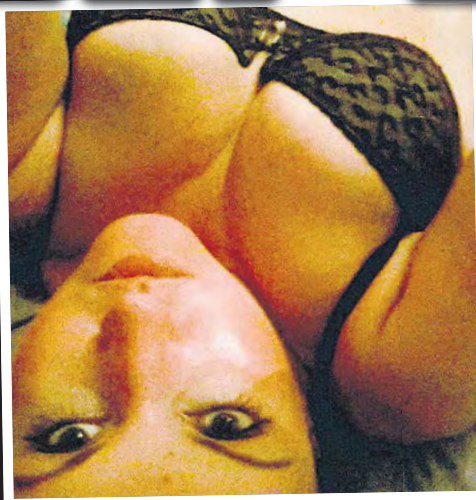

Detective Sergeant Dave Jones said: "I'm appealing to the woman driving the car to get in contact with us so we can find out what happened."

"I'm also keen to speak to anyone who saw the dog walker, before or after the incident."

"He was walking his dog which is similar to a Pug. The dog is safe and unharmed."

The motorist stopped at the scene to get the man's details before driving off.

WOMAN 'LURED BOY, 15, FOR SEX WITH

IN COURT: Katie Seldon denies affair with teen lad

facebook

PICS OF HER BOOBS & BUM'

His mum found them together at her house

A MUM seduced a schoolboy by sending him pictures of her boobs on Facebook with the message, "Let's get naughty", a court heard yesterday.

Karen Seldon, 44, is accused of having two sex romps at her home with the boy when he was just 15.

She is alleged to have lured the boy for full intercourse and oral sex – until it was discovered by his mother who stormed into her house.

Seldon denies the affair, saying it was just a "sexual fantasy" of the schoolboy to boast to his friends.

Prosecutor Suzanne Thomas told Newport Crown Court how Seldon contacted the schoolboy on Facebook to seduce him into sex and began sending him photos of her "breasts and bottom".

She said: "She asked him whether

he liked role playing and asked him to send pictures of himself. "She sent him a message saying, 'Let's get naughty,' and asked him to come to her house."

"She took him into the living room and told him that she wanted him."

Seldon is accused of four charges relating to sexual activity with a minor – two of sexually touching him, one of oral sex and one of full sex.

Banging

It is alleged that on a second occasion she drove up to him in her car and kissed him.

Miss Thomas added: "They drove to her home and they started kissing.

They were about to go upstairs when there was banging on the door."

The court heard the boy's mother and aunt confronted Seldon about why the schoolboy was in her house at Abercarn, near Caerphilly, South Wales.

Miss Thomas continued: "There was a great deal of shouting and scuffling while the women were arguing."

The boy told the police Seldon had forced him into the car. But he later admitted he "fully consented" to sex.

He told officers Seldon was "obsessed" with him for a long time and he admitted he was called a "lad" and a "legend" after telling his friends.

Defence barrister James Evans accused the boy of making up the accusations in order to show off to his friends.

He said: "Everything you told the

police that day about your sexual conquest of Karen Seldon was just your sexual fantasies about her. Nothing actually happened."

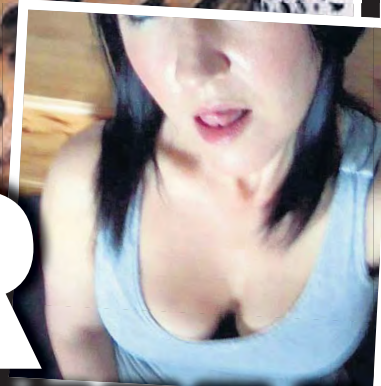

"It's something you have fantasies about, things you told your friends, to look like a lad and a legend amongst your little peer group, that is what it's really about."

Seldon was arrested and denied having any sexual activity with the boy and she denied sending him Facebook messages.

The court heard the boy's mother went to Seldon's house to find her son but he was not there, explaining: "She was wearing a black and white dress that barely covered her bottom."

"I gave her a throw and said to her that she didn't mind flashing her private parts to my son."

The case continues.

Boob job Az gives fans a flash

MINGE munching rapper Azealia Banks has revealed she had a boob job – by showing fans her KNOCKERS.

The 24-year-old posted a video on Twitter wearing a skin tight tank top to announce the op.

In the footage she says: "Guess who got some new tiddies yal," before moving the camera to her newly boosted bust.

The post received hundreds of likes and sent horny fans into meltdown, with one posting: "I want those tits in my face".

And the 212 singer – who came out as being bisexual in 2012 – also hit out at the music industry for censoring her image.

The New York born chart topper Tweeted: Who put the f**king parental lock on pop-culture? WHY IS THIS SHIT SO CHILDPROOF?!

"Everyone forgot for a minute that I'm not a pop star. Lol IM A RAP BITCH. IM SUPPOSED TO BE X-RATED."

Car smoking ban comes in

ON the day smoking in cars with children present became illegal, new figures show the harm secondhand smoke poses to youngsters – even with the windows down.

The new law will see the driver and any smoker fined £50 if someone under 18 is in their car.

A group at Newcastle University used smokers driving 20-minute routes, replicating a school run, to test the effects with car windows both open and closed.

They found that even driving with the windows open while smoking exposed those in the back to dangerous levels of poisonous carbon monoxide – two to three times worse than on a busy road at rush hour.

A spokesman for Public Health England said: "This reinforces that smoking in vehicles with a child is never safe."

Marnie tongues pal on night out!

By JACK MOTTERSHEAD jack@sundaysport.co.uk

GEORDIE Shore babe Marnie Simpson proved she is over her ex by sharing a saucy GIRL-ON-GIRL snog with her co-star.

Single stunnas Marnie, 23, and Chloe Ferry, 20, ended their Newcastle night out by hooking up – with each other.

The Geordie scorchers locked lips in a smoking area outside a bar in Newcastle.

Missing

And the pair couldn't keep their hands off each other as they passionately kissed in the early hours before staggering off into a taxi.

The tonsil-tennis comes after Marnie publicly split from her fiancé, former TOWIE star Ricky Rayment, 25.

But she looked to have moved on quickly enough as she showed her spurned ex exactly what he is missing out on.

A SEX pest harassed three women in the street – wearing fake boobs made from inflated CONDOMS up his jumper.

Daniel Lennon, 33, made lewd suggestions to his victims and also showed one a photo of a naked pin-up in a porn magazine.

He first struck in Bristol as a 24-year-old woman walked to work. He crossed the road to follow her and made vulgar comments, telling her: "Look at your sexy legs, look at your sexy arse."

Prosecutor Julian Howells said he then accosted a woman aged 23 as she left an underpass.

He told a court: "He had a jumper on with what appeared to be balloons stuffed underneath."

"He came close to her and she could smell cigarettes. He said 'alright darling' and tried to grab her. He pushed his arms around her and she felt balloons under his clothes."

"He made noises as if he was enjoying what was happening. She pushed him aside and walked off to work."

Lennon approached a third woman, aged 47, in a nearby shopping centre, told her she was beautiful and had a big chest and asked for a kiss. He then made a grab at her, saying he just wanted a peck on the cheek.

Mr Howells said: "He had two lumps, rather like balloons."

Lennon then approached the same woman a second time, made lewd comments to

her and showed her a naked woman posing in a porno magazine.

Police found him in the shopping centre with inflated condoms in his jumper and a mag.

Lennon, of no fixed abode, pleaded guilty to common assault, harassment and a public order offence at Bristol Crown Court.

Lennon's defence said he apologised and had moved away from an interest in women.

The judge imposed a 12 month community order with rehabilitation and a criminal courts charge of £900.

Lennon was also given a five year sexual harm prevention order.

Helen: I love beer bellies!

HELEN Mirren says she prefers a beer belly to a six pack.

The 70-year-old actress said Hollywood is too full of muscly blokes with "ridiculous bodies".

Oscar winner Dame Helen, who starred in *The Queen*, gave the shock statement after stripping down for a sexy advert promoting a luxury make-up brand.

She said: "It's very hard to find a male actor with a real body. They all have to be in the gym for three or four hours a day."

"It's tedious, awful."

A FEMALE teacher posed as a 13-year-old girl to make a false report to Childline that a headmaster carried out a sex attack.

Eleri Edwards, 32, now faces being struck off for making the bogus call to the kid's charity.

The maths teacher claimed she was a schoolgirl who had been "inappropriately touched" by the head but a disciplinary hearing was told it was a false allegation.

Police were called in and she was given a formal caution last year for making the malicious call against head Tudur Williams.

A disciplinary hearing was told she pretended to be a teen pupil at Ysgol Ardudwy school in Harlech, North Wales.

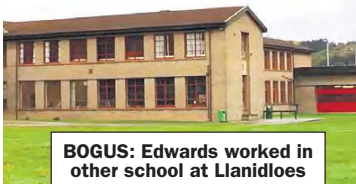

The General Teaching Council for Wales heard she Edwards was employed at a high school 55 miles away at Llanidloes, Powys, when she made the bogus call.

Edwards, of Llandrindod Wells, in Powys, Mid Wales, did not turn up for the disciplinary hearing for medical reasons.

But she now faces being struck off the teaching register after her "conduct fell short of the standard expected of a registered teacher."

Committee Chair Richard Parry Jones said the allegations against Miss Edwards had been proved.

Mr Williams, the veteran head of the 700-pupil school, declined to comment after the hearing.

HOW DID SOCIAL WORKERS MISS CHILD SEX 'RAFFLE' GANG?

JAILED:
Marie
Black

A REVIEW is set to take place into how social workers looking after children abused by an "utterly depraved" sex abuse ring in Norfolk missed it for so long.

Marie Black, 34, was jailed for life at Norwich Crown Court on Monday after being found guilty of 23 offences including rape, conspiracy to rape and inciting a child to engage in sexual activity, following a trial.

The charges related to five young children – two boys and three girls – over a 10-year period. It included "raffling" the children and transporting them to sex parties for abuse by others.

Michael Rogers, 46,

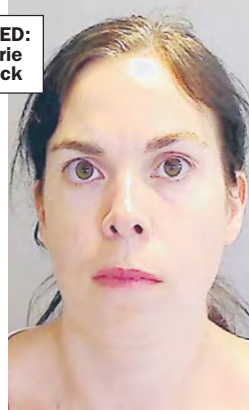

from Romford, Essex, and Jason Adams, 44, from Norwich, were each jailed for 24 years after being convicted for their parts in the abuse.

Judge Nicholas Coleman raised concerns that the victims were being actively observed by Norfolk County Council's children's services from 2002 to 2009 when most of the serious abuse took place.

He added: "This case cries out for a serious case review."

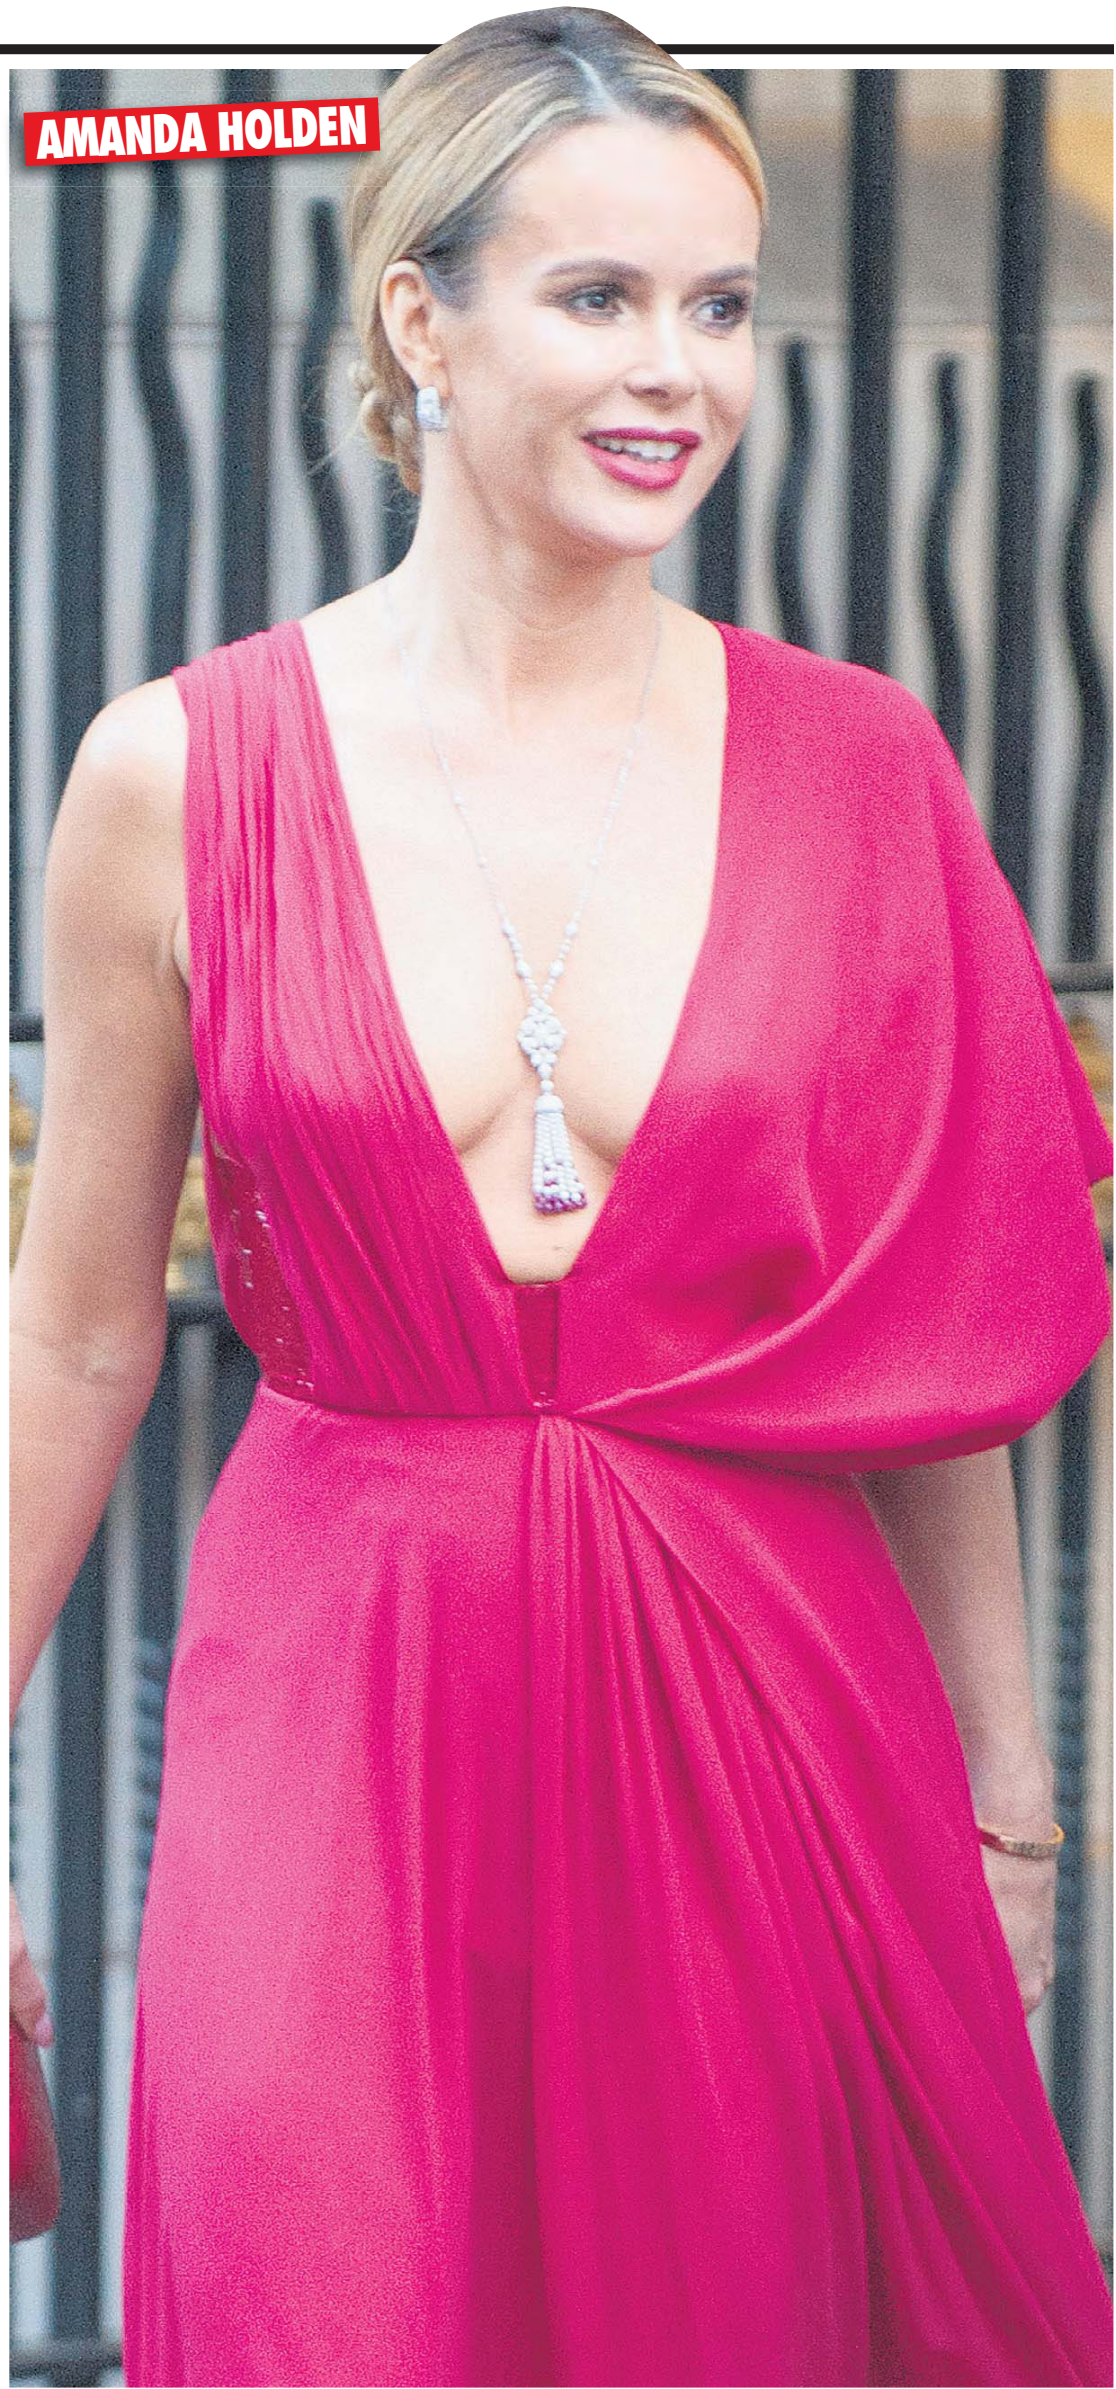

Earlier the judge described the case as "the most harrowing it has been my misfortune to try".

Addressing the trio,

he said: "Your conduct towards these children can only be described as utterly depraved – the children were subjected to sexual abuse of the worst kind. "They were simply passed around like toys."

STRAIGHT TALKING

FROM UKIP'S DEPUTY LEADER

UKIP MORE RELEVANT THAN EVER

WE now know from the German authorities that one in three so-called "Syrians" are carrying fake documents and passports.

These fake Syrian passports are readily available on the Turkish black market and are being sold at £500 a pop.

I'm sure, like me, you find this frightening.

If you don't, you should do, because in a few years the German government will start handing these people German passports, which means they can travel around Europe pretty much unchecked.

The reality is that we don't know who these people really are. So this economic migrant crisis is a dream for ISIS.

The fact that we are allowing hundreds of thousands of people on to our continent unchecked is the real scandal, and it will only take a bomb or an atrocity in one of our cities for the majority of people to see this is the case.

It's not a case of if but when, and where.

"EVERY cloud has a silver lining," they say.

Except on May 8, the day after the General Election – that certainly didn't feel the case if you were a member of UKIP.

We had just received four million votes, which amounted to 12 per cent in the polls, and yet only won one seat.

We got more votes than the Lib Dems and the Scottish National Party put together, yet while they came in with more than 60 seats, we got that miserly one in Clacton.

I'd go as far as to call it the biggest electoral outrage in the history of British politics and if this doesn't tell us that our electoral system is out of date and not fit for purpose then I don't know what does.

But four months on, it's clear there was a silver lining in the election result, and that has come in the form of a referendum on our membership of the European Union.

A referendum that would never have happened if it wasn't for UKIP and the pressure we put on the Prime Minister in 2013 to promise one against his will.

This is the big one for UKIP – the one the party has been waiting for years.

UKIP was formed in 1993 to get us out of the EU and now, finally, the referendum will present that opportunity.

So while some of the political commentators who attended the UKIP conference last weekend wrote about a party that had become "irrelevant", they couldn't be further from the truth.

The referendum makes UKIP more relevant than it has ever

been. UKIP is the party that has already banked four million votes for the cause in the general election and only last year won the European elections on a platform to leave the EU.

UKIP is a party with more than 40,000 enthusiastic members who will go out in rain or shine to deliver leaflets and knock on doors.

This party will be the engine room of the referendum campaign.

But that referendum campaign needs to start now. Not next week, not next month and certainly not next year, as some would like.

Those who want to stay in the EU are already campaigning.

Not a day goes by without hearing some politician like Peter Mandelson or Ken Clarke tell us that the world will cave in if we leave the EU, or a businessman like Richard Branson scaremongering about

job losses.

We need to be campaigning now to counter the myths and scare stories being put about by these people.

The biggest mistake we can make is to sit on the fence and do nothing.

Some want to wait, let the Prime Minister go through the charade of his "renegotiation" with the EU and see what he comes back with.

This is wrong. We should be the ones setting the bar for David Cameron and giving him a list of demands that we want on the table – such as an end to freedom of movement of people, regaining our fisheries and cutting the bloated EU budget.

But to do this we must start driving public opinion now.

And that makes UKIP more important and more relevant than at any point in its 22 year history.

WHAT'S ANNOYING HIM THIS WEEK?

I'm Fed Up With Xmas ...Get Me Out Of Here!

IT'S nearly October so of course (shakes tambourine) "holidays are comin', holidays are comin'..."

Yes, the great relentless countdown to the most over-rated time of year has begun.

I've haven't seen the Coca Cola truck...yet...but we know it's literally just a matter of time.

Now, as with all shows

with "celebrity" in the title, the term itself is often bastardised.

The celebrated individuals in question are often people pretty much no-one has ever heard of – like that Irish girl everyone's forgotten from last year's trip to the jungle.

And rumours swirling in the biz of show suggest that this year's line-up to eat cat

There's some bloke with a beard from a show I've never seen called something like *Made In Slough*.

THESE pop babes have one thing in common – they've all treated fans to a sexy NIP-SLIP.

The collection of singing stunnas have all struggled to contain their assets in revealing on-stage outfits and low-cut frocks.

Midweek Sport has pulled together the best boob flashes by a host of celebrity hotties.

Singer Miley Cyrus whips her bangers out at any opportunity – and she shocked chat show host Jimmy Kimmel when she flashed her boobs in a pair of jewelled nipple pasties.

And Christina Aguilera put her Mickey Mouse Club days behind her when she bared all for the cover of her 2002 *Stripped* album, showing off her nipple piercing.

Girls Aloud scorcher Cheryl Fernandez-Versini and Sarah Harding have both revealed their pert nips after bursting out of their red carpet frocks.

Scary Spice Mel B had a wardrobe malfunction when her lace-up crop top came loose.

And former Destiny's Child Kelly Rowland showed off her knockers when she popped out of a racy PVC basque during a solo performance.

Tina – 'All night sex or it's just not worth it!'

SHAMELESS star Tina Malone revealed she enjoys ALL-NIGHT romps with her toyboy lover.

The Scouse actress admitted she doesn't bother having sex if it's just going to be a quickie – and said she prefers to indulge in steamy sessions that call for stamina.

Tina (above), 52, is married to personal trainer Paul Chase who is 19 years her junior.

Tina, best known for her role as Mimi in the Channel 4's series, said: "I'm obsessive compulsive. I don't ever want sex for just five minutes. I don't bother unless it's going to be all night."

"I don't want a packet of crisps. I want all six packets. I'm an all or nothing kind of person."

The former *Brookside* star, who lost more than 11 stone after she had a gastric band fitted, also said she finds it easier to give up drink and drugs than food.

She said: "I can't control the amount of food I eat. You can abstain from drink and drugs and cigarettes if you have help but you can't abstain from food."

F&F KID SUES

FAST & Furious star Paul Walker's daughter Meadow Rain is suing Porsche, claiming the Carrera GT he was in when he crashed in 2013 had design defects which trapped him and burned him alive.

Searching online for star's boob pics is risky business

OGLING sexy pics of busty babes like Kelly Brook can be seriously bad for you!

The Brit stunna has been named the riskiest celeb to search for online as part of a study into computer viruses – and how hackers entice users to visit 'dangerous' sites.

Model and TV personality Kel, 35, was found to be the most dangerous search term

in a study by Intel Security. Their report looked at the most famous people in popular culture, and analysed how many search results linked to them actually led to websites containing malicious software and viruses.

Former topless model Katie Price was second on the list, with new *X Factor* judges Nick Grimshaw and Rita Ora coming in third and fourth.

Intel Security's Nick Viney said: "The desire for consumers to have access to the latest celebrity gossip can make them

vulnerable to cybercrime. "Most are unaware of the potential risks they are exposing themselves to by clicking on sites that provide them with the latest news.

"But cyber-criminals are quick to exploit this desire for breaking celebrity news, leading consumers to sites that download harmful malware onto devices and steal their private data."

Brit fashion icon Victoria Beckham was fifth on the list, just ahead of Royal stunna Kate Middleton.

Katy likes to smell good enough for lover to eat

GORGEOUS Katy Perry has confessed the secret to her sex appeal is to make herself smell **EDIBLE**.

The raunchy pop singer, 30, revealed the secret behind her latest perfume is that she likes to smell good enough for a lover to eat.

California Girl Katy (above) is plugging new scent Mad Potion, which is the latest of seven fragrances she's put her name to.

She said: "I like to smell edible!"

"Stuff that isn't so hard on the nose appeals to me. It's sweeter perfume."

"Beauty and confidence come from how you feel about yourself. I know that sounds corny but it's true."

Katy, who divorced comic Russell Brand in 2011 after less than two years together, is said to be back together with on-off beau country singer John Mayer.

Man wakes to find himself being raped

A MAN woke up on a beach to find he was being raped by another man.

It is thought he'd earlier had a drug slipped into his drink at a nightclub.

Police said the 26-year-old had been on a night out with friends in Brighton before the 'extremely distressing' sex attack.

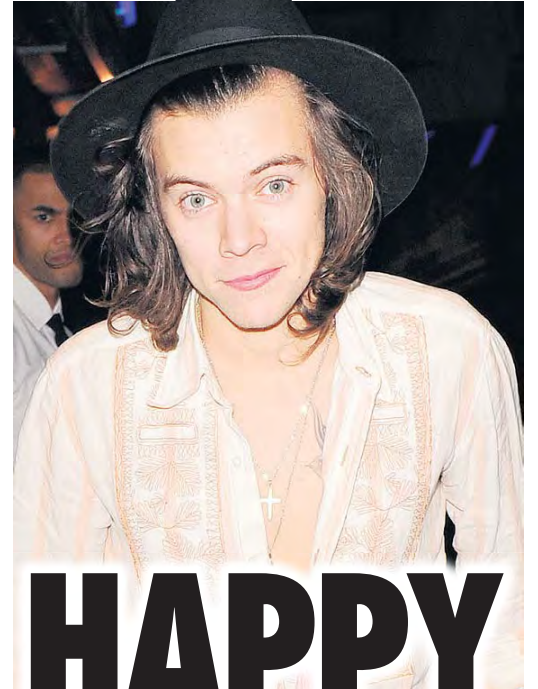

It happened between 3.30am and 5am on August 18 but details have only just been released following weeks of taking statements and studying CCTV footage.

A spokesman for Sussex Police said: "We have been working with the victim to give him support and work out exactly what happened."

"He is unable to describe what the man looked like. We have been looking at the CCTV in that area but we have not been able to identify a suspect so far."

"This was an extremely distressing incident for this man who was in a vulnerable state."

HAPPY STYLES!

He's the most upbeat celebrity on Twitter

By **DAVID YOUNG**
news@sundaysport.co.uk

ONE Direction star Harry Styles is the happiest celebrity on Twitter, new research has found.

The singer came out on top when scientists analysed emotions expressed in the social media output of the 100 people with the most Twitter followers.

The team used special software to detect and interpret emotions in the text and found that Styles' mood hasn't dipped as a consequence of 1D's forthcoming parting of the ways next March.

Styles, 21, claimed top spot ahead of singer Adele in analysis by data boffins Adoreboard at Queen's University,

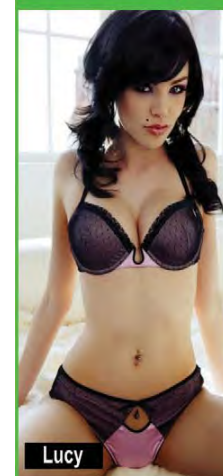

CHIPPER: Adele is cheery, too

Belfast, who use special software to identify emotional patterns in billions of tweets.

Adoreboard boss Chris Johnston said that the findings provided a "unique snapshot" of the range of different moods that celebrities feel.

He said: "Not only is Harry Styles one of the most popular celebs on Twitter, he is also the most upbeat."

IT'S THE RIGHT THING TO REOPEN SMILER

I READ this week that one of the victims of the Alton Towers' rollercoaster crash has slammed the park's decision to reopen the ride to the public.

Sorry, it was an awful thing to happen, but at the end of the day the theme park is a business and if they are not making money they have to do something about it.

Accidents happen – and what happened was terrible – but it is also very rare and nothing like that

has ever happened before on that ride or at Alton Towers.

When someone dies in a car accident, they don't close down the road it happened on.

So why should this be any different. And accidents like this one are so rare, it would be stupid to close the ride altogether.

I know that four people were really badly injured but no-one died on the ride – if they did then maybe I could understand Alton Towers

deciding to close down the ride out of respect or in memory of them.

But at the end of the day compensation has been paid and Alton Towers has suffered hugely since the June crash with people scared to go.

I know no amount of money will give the two girls their legs back but I don't think they can call for the ride to stay closed for good.

Time to go home, bitchy Farrah!

KICK-OFF: Farrah (right) and Aisleyne (below)

I COULDN'T believe the way Farrah and Aisleyne acted on *Celebrity Big Brother's Bit on the Side* last week!

What on earth were they thinking?!

Farrah is an unpleasant woman. Mind you, I don't like Aisleyne either as we had a falling out on Twitter a while back – she does like to stick her nose into other people's business.

But I agree with what she said 100%. Farrah should definitely f**k off and go back to America now that the show is over.

Farrah just came across as horrible from start to finish. I'm all for speaking your mind but she brought things up about people's families, and their sexualities. It was uncalled for.

I think what we saw was two bullies getting together and trying to outdo each other and it just

went too far. I felt bad for actress Vicki Michelle who ended up in hospital after getting stuck in the firing line.

I would have loved to have been in the house with Farrah – I would have absolutely wiped the floor with her!

But I am hoping that now *CBB* have had porn stars like Jenna Jameson on the show, they will be more willing to have British ones on in the future.

I think me and Ben Dover would make great television – so if anyone from Channel 5 is reading this, get me on it!

BREAST PALS: Lucy (left) and Holly

I HAVE had such a relaxing week – just pampering myself and getting ready for a little trip away to Majorca with the girls!

I am going away for a few days with some of my favourite models – Levi, Lucy Zara and Holly Maguire – for a scorching photoshoot in the sun.

I have bought some naughty new

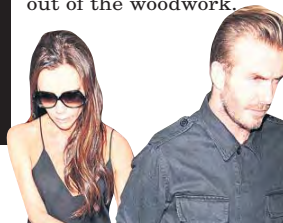

lingerie to wear in the shoot and I will be taking some exclusive behind-the-scenes photos to share with you all in next week's column!

And I will still be working hard on webcam while I'm away so you can see what I'm getting up to – and I'll have all of the other girls with me for company as well!

DAVID and Victoria Beckham are a great couple and I think all these rumours that their marriage is on the rocks are just bollocks. I don't believe any of it, to be honest. They have built a hugely successful brand with their family name, and a lot of their relationship is about business – so there are bound to be a few public outbursts or disagreements.

But I'm sure it will probably all blow over.

If they were going to split up then let's be honest, they would have done it before now – probably back when Rebecca Loos crawled out of the woodwork.

JANICE OPENS HER LEGS FOR PORN STARS!

FORMER supermodel Janice Dickinson showed porn hopefuls how it's done – by spreading her legs on stage.
Fresh out of the *Celebrity Big Brother* house the gobby Yank, 60, gave the audience a peek up her skirt as she took her seat on the judging panel for the Porn Idol competition at G-A-Y in London.
Janice was a guest judge at the

event which invites members of the audience on stage to strip for the chance of winning £500.
She was taking her hosting responsibilities seriously as she lay on her back with her legs in the air, flashing her sexy fishnet tights as she offered words of wisdom to the contestants.
Janice closely inspected each

competitor – and compared the size of their manhood – before picking a worthy winner.
The event on Saturday came after she was involved in a spat between Farrah Abraham and Aisleyne Horgan-Wallace on *Celebrity Big Brother's Bit on the Side*.
Janice was cautioned by police for common assault after the TV row left 'Allo 'Allo actress Vicki Michelle needing hospital treatment when she was hit with a flying glass.

Penny loves a facial with rocker Rod!

FORMER model Penny Lancaster has revealed she loves a good FACIAL from rocker hubby Rod Stewart.
The 44-year-old stunna admitted she is still turned on by the ageing chart topper.
And she told how their favourite past time is having a couple's spa treatment, paid for by the *Da Ya Think I'm Sexy?* star.
Leggy Penny said: "We have facials together. He's a man's man with a very feminine side. He's a proud man, he takes care of how he dresses."
"Rod's a performer, a man who makes an effort."
The couple married in 2007 and have two children together.
London-born Rod, 70, is still touring and even performed a spot of in-car Karaoke alongside comic James Corden, 37, on the US *Late Late Show* last weekend.
But Penny, from Chelmsford, Essex, said the couple never spend more than 10 days apart.
She added: "We still have a connection like we just met."

Katie tells crowd she loves minge

KINKY Katie Price has confessed that she can't get enough of **MINGE**.

The busty former glamour girl made the racy comment on stage, telling a baying crowd that there is nothing better than a woman's vagina.

Mum-of-five Katie (above) declared her love for female private parts at gay bar The George during a recent trip to Dublin.

She had been invited to the nightspot with her husband Kieran Hayler to judge a drag competition for the bar's 30th birthday celebrations. She chose two women as winners.

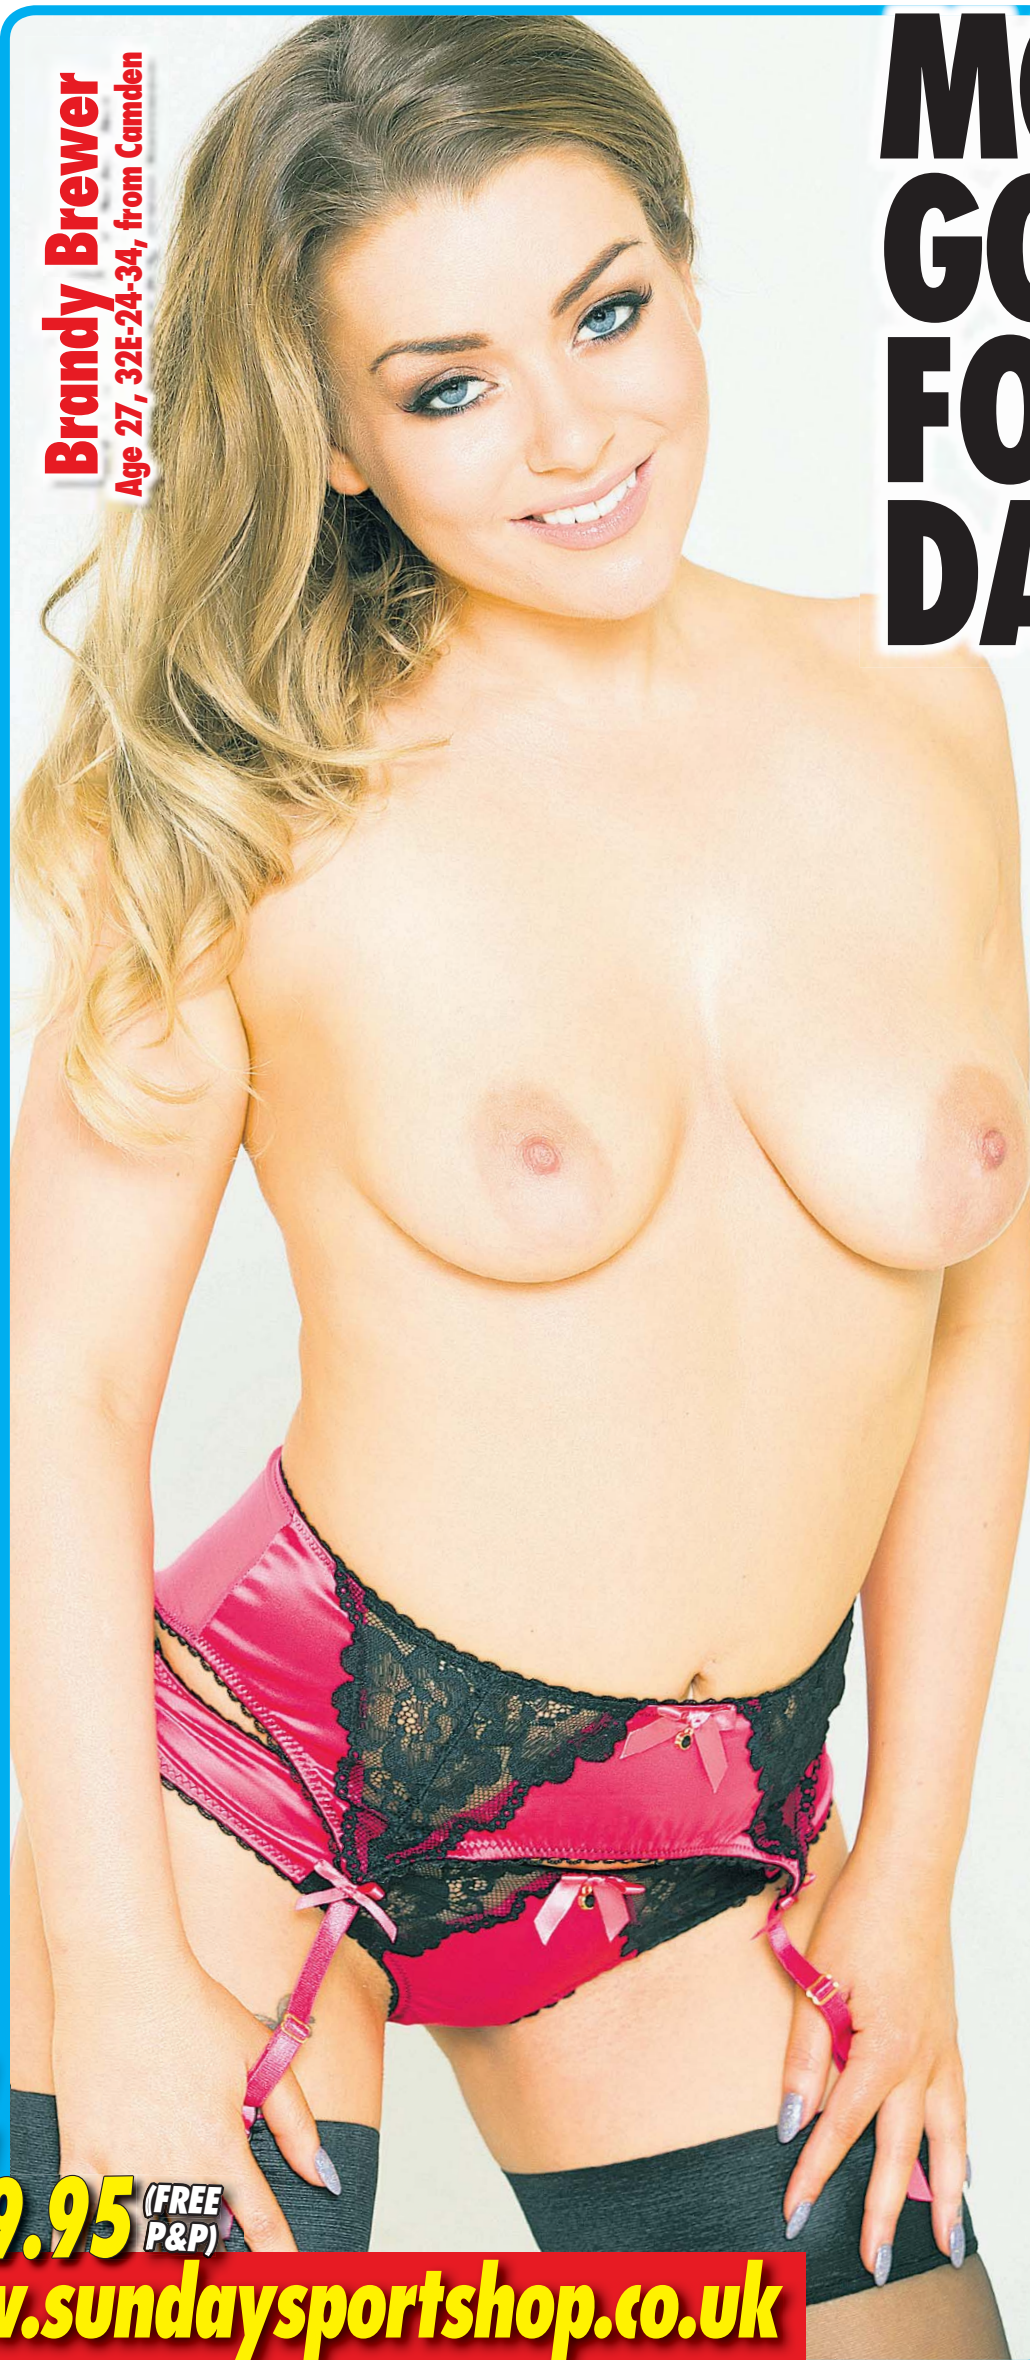

She raved about 'drag king' acts Mario and Phil T Gorgeous and Co before downing copious amounts of her favourite cocktail – a screaming orgasm.

She said: "There's nothing better than a girl's vagina – I love vagina."

The model, formerly known as Jordan, had been booked to appear at the club at 10.30am – but didn't make it on stage until 12.20am.

She was joined on the judging panel by Dublin-based celebrity make-up artist Derrick Carberry.

MONICA'S GOT HOTS FOR DAN!

SEXY: Monica rates Bond Daniel Craig

NEW Bond girl Monica Bellucci admitted she enjoyed kissing Daniel Craig because he's a "sexy man".

The Italian stunna is set to play Bond's lover in the upcoming movie *Spectre* and will become the oldest Bond girl to date.

Despite her extra years, the 50-year-old scorcher has made it clear that her sex appeal makes her the perfect match for 007.

And while she admitted on-screen snogs can get awkward, Monica had no problem locking lips with Daniel, 46.

She said: "Kissing someone you don't know on screen can be intimidating. Of course, Daniel is such a sexy man, and that helps."

"He brings that to Bond, along with a sense of mystery and danger which we all love."

Monica is 11 years older than the previous oldest Bond girl Honor Blackman, who was 39

when she played Pussy Galore opposite Sean Connery in 1964's *Goldfinger*.

Monica will join other Bond babes Naomie Harris and Lea Seydoux as well as Christoph Waltz's evil Blofield in *Spectre*, which is set for release in UK cinemas on October 26.

You, Me and the Apoca-TITS!

You, Me and the Apocalypse, Wednesday, Sky 1, 9.00pm

Cradle to the Grave, Thursday, BBC 1, 9.00pm

Dray wahey!

SEXY Julie Dray makes a boob of herself – in this saucy topless snap.

The actress can be seen alongside Peter Kay in a guest appearance in BBC series *Cradle to the Grave*.

But in a previous telly outing she not only lost the plot – but her dress as well!

The show is based on the life of Bermondsey-born comedian and radio and TV presenter Danny Baker.

The show takes place in the stage star's childhood in the 1970s.

A source said: "By the looks of things it's not only Danny Baker who has a few things to get off his chest."

By **SAM WALKER** samw@sundaysport.co.uk

THESE lovely topless ladies show us that the end of the world isn't all bad news!

Sexy Jenna Fischer joins Nadia Townsend, 32, and Anastasia Hille, 49, in new small screen comedy *You, Me and the Apocalypse*.

The Sky 1 show, starring Yank legend Rob Lowe, follows a group of friends who hunker below ground in the town of Slough, Berks, to watch the end of the world as a huge comet heads for Earth.

And the blondes' aren't afraid to bare essentials after losing their clothes in previous saucy movies.

A source said: "They're the right girls to get stuck underground with, no mistake!"

GhostBUSTER!

Marley's Ghost, Wednesday, Gold, 10.00pm

THE afterlife is also looking up thanks to new drama *Marley's Ghost*.

The Gold Series stars *Sliding Doors* actor John Hannah and centres around psychic Marley Wise, who is haunted by her ex-husband, her dead former lover and her recently deceased vicar.

And here's lead actress Sarah Alexander, 44, getting out her paranormal pair in BBC comedy series *The Armstrong and Miller Show*.

A source said: "If you're looking for someone to make a ghostly boob then Sarah is your girl."

"There isn't a bloke alive that wouldn't like to get their hands on her spectres."

Blonde Carol getting more offers of fun

SEXY Carol Vorderman says she's had more bonking offers since dying her hair blonde.

The 54-year-old is known for her quick counting and brainy conundrums.

But the former Channel 4 presenter (above), known for her straight brunette locks, said she gets more attention from fellas now she's gone golden.

And it's a good thing – because the former *Countdown* cruncher revealed she's back on the dating scene after splitting from her boyfriend Graham Duff.

Carol said: "I'd coloured my hair to get rid of some grey but it went blonde in the sun.

"People definitely react differently to me. Blondes might not have more fun, but they definitely have more offers of fun."

She added: "I'm dating, I'm enjoying it. He's nice."

Last month the mum-of-two got male fans hot and bothered after announcing that she runs on her treadmill NAKED.

Carol then told her Twitter followers that she'd tripped and ended up covered in bruises.

Lucky Pam's never seen a little 'un!

RAUNCHY Pamela Anderson has boasted: I've never seen a small COCK.

The ex-*Baywatch* babe was asked if former husband Tommy Lee's dick was the biggest she had seen.

But busty Pam (above), 48, who made a notorious honeymoon sex tape with the Motley Crue drummer, said: "No. I think I have good karma or something. I haven't seen a small penis."

Pam also claimed she had NEVER set eyes on the footage of the horny video.

She and Tommy, 52, who have two sons, Dylan, 17, and Brandon, 19, were reportedly offered "millions" of dollars to release the explicit 1995 tape but turned down the offer.

Pam said: "I made not one dollar. It was stolen property."

She added: "I was seven months pregnant with Dylan and I was thinking it was affecting the pregnancy with the stress."

"We never, either of us, made anything from it. It was stolen."

Fact me!

IN the 19th century, sausages were marketed as 'bags of mystery'.

Public's final say for Eurovision

BBC bosses are launching an *X Factor*-style talent hunt for next year's Eurovision Song Contest entry, to try and turn around the UK's fortunes.

New acts will be invited to battle it out with professionals as the format gets a revamp with Atomic Kitten and Blue's former record boss Hugh Goldsmith.

The Beeb has been criticised in recent years for its choice of acts and songs to represent the UK.

For 2016's event, the BBC is inviting singers aged 18 and over to submit a video and demo of them performing their original track.

The entries will then be narrowed down for the final shortlist, which will be presented to a panel of experts as well as the public, who have the final say on which song will represent us in Sweden in May 2016.

AMY: I'M HUNGRY FOR SEX

ACTION GIRL:
Amy

MEGA-BUSTY Amy Childs has revealed she craves X-rated SEX sessions!

The Essex scorch, who shot to fame on ITV's *The Only Way Is Essex* before leaving to launch her own beauty salon and clothing line, admitted she longs for red-hot nookie.

And the 25-year-old babe has confessed that being single leaves her pining for a passionate romp.

Amy said: "Do I miss sex when I'm single? Of course I do! What girl wouldn't?"

"But I've never had a one-night stand. I'm not into all that."

The former reality star currently doesn't have to worry about where her next bonk will come from as she is loved-up with hunky builder Bradley Wright.

And despite recent rumours that Bradley

By **JESS GALLEY**
jess@sundaysport.co.uk

has been sending naked snaps to a woman he met on a dating site, the couple seem as smitten as ever.

And the pair were even recently spotted shopping for engagement rings.

It seems Bradley would have no reason to stray

from his missus – after Amy revealed she is a huge fan of kinky S&M book *Fifty Shades of Grey*.

She said: "I'm interested in *Fifty Shades of Grey* because the guy is so powerful and the girl is only young."

"I think this book will make our sex lives improve and relationships will last longer."

Mature babes bolder on first dates!

Wendi Walker
Age 23, 34C-24-34 from Walthamstow

OLDER women are TWICE as likely to shag on the first date - according to a steamy new sex poll.

Figures show that only 22 per cent of girls aged 18 to 24 admitted doing the dirty after just one romantic encounter.

But the stats reveal that a rod-on inspiring 39 per cent of ladies aged 25 to 54 have got steamy within hours of meeting a bloke.

The survey was carried out by the website *Dating Advice.com* which asked 1,000 Brits about their first date rules.

Sex expert Dr Ramani

By **SAM WALKER**
samw@sundaysport.co.uk

Durvasula said: "If a woman agrees to have sex on the first date it's because she wants to."

Fancies

"Independent women will follow their instincts and not worry about the social fall-out, and that comes with confidence."

"So it makes sense that the older a woman is, the more likely she is to disregard social convention and give it up early if she fancies someone."

The study showed that men still lead the pack when

it comes to dipping their wick on the first date, with 46 per cent admitting trying it on and getting their way.

But experts have found that high earners are less willing to wait for some action in the bedroom.

Nearly half of men and women who earn between £49,000 and £65,000 are more likely to jump into bed on a first date, while only a quarter of people who earn less than £16,000 said they would.

The survey also found that 45 per cent of adults who copped a legover during a first date are divorced, while 31 per cent are married and 36 per cent are single.

Dr Durvasula added:

"Those in high powered jobs are used to taking what they want in the office, and that follows for them in their romantic lives."

"Commonly it is thought that giving it up on the first date weakens a woman's position, that she's easy and has low self-esteem."

"But while this may be true in some cases, on the whole it's more likely that the opposite is true."

"The figures do seem to suggest that if you want to get laid on the first date, take out a richer, older woman."

Midweek Sport babe Wendi Walker said: "If I want it on a first date, I'll get it...and I always will!"

HORNY Hollie Kay has revealed she loves to be tied up and RAVAGED!

The 32DD stunna confessed she wants a man to dominate her and have his wicked way.

The cheeky glamour mode says she needs a man who knows what he's doing ...so fumbling buffoons need not apply!

Bedroom

The 26-year-old, from Norwich, Norfolk, said: "I love it when a man takes charge in the bedroom."

"For me, he has to be the dominant type who is used to getting what he wants, when he wants it."

"I've had men before ask me how they want me to be

tied up or where. Don't be a pussy! I need YOU to tell me what to do.

"He must be oozing in self-confidence and enjoy exerting his power over me."

"I'd like him to expertly tie me up using handcuffs or restraints and use me entirely for his own sexual gratification."

"I really don't want him whispering sweet nothings. This is all about rough, animalistic sex."

"I'd like the feeling of being restricted as I'm hog-tied or even fixed to a bondage rack."

"Then I want him to do whatever he wants to me while I lie there totally helpless."

Don't ask me what I want, just do it to me!

I just can't get it up unless I'm in water

Dear Bailey,

FEELING a bit flabby lately, I decided it was about time I got myself fit.

So I joined a health club that had a pool and went for a swim. I was about to plunge in when I spotted a hot-looking babe of about 30 in a skimpy bikini that barely covered her best bits.

Showing off, I bent to try to a smooth dive and launched myself in, but to my embarrassment, my trunks came off. Worse still, I was in the deep end and they sank to the bottom.

She witnessed the whole farce and just sat there giggling as she dangled her feet in the water.

As I bobbed around trying to cover my embarrassment, she called out that she'd get my keks back, eased herself into the water

and disappeared to get them back.

Not only did she retrieve my trunks, she helped me back on with them, dipping under to slip them over my ankles. As she tugged them up she had a good feel of my knob.

"It's not very big, is it?" she said as she bobbed back to the surface. More than a bit hurt, I said: "Everybody's shrinks in the water. It's a well-known fact."

She just giggled some more and continued to play with me under the water.

As we were alone in the pool and still in the deep end I was not worried about being spotted, and it's just a well because I felt a stiffy coming on and went straight for her chuff.

She leaned against the pool wall and eased her bikini bottoms aside as I penetrated her.

I had started to build up a rhythm when one of the health club assistants appeared and

called out: "Stop that right now!"

Needless to say, my erection vanished and we both exited the pool as soon as we'd adjusted our cossies.

We arranged to meet in the car park and set about each other in her car but I couldn't get an erection. She tried everything to assist me, using hands and mouth but nothing happened.

So we went back to her place and climbed into her Jacuzzi where my todger shot straight up and I banged her for all I was worth.

Now I'm worried that I won't ever be able to get it up again on dry land. What do you think?

WE, West Midlands

Bailey says...

IT could become a problem if you let it. If this woman's still game get her into bed - I'm sure she'll see you OK.

Letter of the day

Dear Bailey,

I HAD a threesome with two of my mum's mates last week. They're 36 and 38 and I'm 19.

They were in my local. We had a few drinks an ended up back at my flat.

It was obvious they were up for it and they looked great in short skirts and tight, low-cut tops which showed off their cracking bodies.

They told me that they wanted some young cock and they were looking for someone at their sexual peak. The 36-year-old led the way and took off my pants and started to tease my throbbing cock. It was a massive turn-on watching her mate play with her wet fanny as I was being sucked.

After I had shot my load they turned their attentions to each other in the 69-position.

They want to see me again, but the problem is that I think my mum suspects something is going on and I'd feel bad if I caused a rift between her and her oldest friends.

What should I do?

LJ, Brighton

Bailey says...

YOU'VE had your fun and so have they, but I think it's time you all found find someone your own age.

I lied for a legover

Dear Bailey,

MY new assistant is an absolute beauty. She's 21, blonde, with a great body and a pair of firm tits of a size and shape that keep men awake at nights.

On her first day working for me she made it clear that she was willing to sleep with me if it will further her career.

Needless to say, by the end of the day I had my fat knob in her glorious gob.

I've shagged her loads of times since then. She told me that she loves going with older men. I'm 48.

The last time I knobbed her, I booked us into a hotel and shagged her every which way up and all night long.

She especially loves it when I f*** her doggy-style and stick my finger up her tight bum-hole.

The problem is that she wants me to guarantee that she will be promoted, but I'm not in a position to do that. The truth is, I've been leading her on.

What should I do?

FH, Manchester

Bailey says...

You made the deal so you will just have to find a way to get her promoted or it'll cost you your own job.

Dear Bailey,

I'M 35 years old and I've been seeing my current girlfriend for over four years.

She has a sister who's not as good-looking as her but who I've always fancied - she has a way about her that seems to scream "I'm up for it anytime you are."

I often fantasise about catching her starters because when she and my girl go out the sister comes to our house to get changed.

I think my girlfriend realises this as she has never left me alone when her sister was about. That was until one day last week.

They'd gone out as usual and, fast as lightning, I was in to the washing basket looking for her panties.

I found them and was just giving them a sniff when the sister walked in. As I tried to stand up I lost my balance and we toppled on to the bed.

I asked her where my girlfriend was and she told me not to worry because we had a good 20 minutes before she had to go to meet her.

She began rubbing my cock, which was already erect. I followed suit with her pussy, which was sopping with her juices.

I lifted her skirt to reveal a slinky G-string which I pulled aside as I moved my head down to her glorious snatch.

Licking

The sight of her shaven haven almost had me coming on the spot but I managed to hold on long enough to give her a good licking. She moved round on the bed and unleashed my manhood, taking it in her hands and giving it a vigorous and expert pumping.

I plunged my tongue into her fanny, savouring her musky aroma. Then I felt her hot lips enveloped my dick.

It was all I could do to stop myself from spurting but there was still one thing I wanted.

I pulled my manhood away from her face, plunged myself deep into her and thrust like a man possessed groaning with pleasure as much as she did, her knees pulled up for maximum penetration.

We both climaxed together.

Now I can't look either of the sisters in the eye without feeling guilty.

What do you think?

GF, West Sussex

Bailey says...

YOU'D be wise to keep your hands off the sister if you value your life!

SHOW ME THE HONEY!

WELCOME to interactive *Midweek Sport* – where **YOU** get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features cute curves of the glamour girls you're clamouring for.

This service – **UNIQUE** to British newspapers – is totally **FREE!**

All you have to do is drop us an email to request@sunday sport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

LEAH NEWMAN

GARY Taylor, 29, has been in touch to request we print a snap of sexy blonde Leah Newman.

The 34D stunna, from Hastings, hasn't appeared in the *Midweek Sport* for a while.

Gary, a builder from Liverpool, said: "Leah became a favourite when she got with Razor Ruddock but we haven't seen her for a while."

"I would love to see her in *Midweek Sport* again. It would make my day."

We'd all love to score with Leah so here she is in all her pert glory.

LUCY JAMES

LOTS of you have demanded pictures of your blonde faves this week.

So to continue the theme here's a saucy snap of Birmingham beauty Lucy James.

And we can see why the 25-year-old is so in demand as she shows off her 32D sweater stretchers.

IT consultant David Rodgers, 35, from Redditch, said: "I'd love to see local girl Lucy James in the paper."

"It would be brilliant to open the *Midweek Sport* and see her!"

LEONORA LOVE

WE'VE had loads of requests for 32DD blonde Leonora Love.

The 24-year-old beauty, from Maidstone, Kent, used to be a *Midweek Sport* regular, but has slipped away from the pages in recent months.

And our eagle-eyed readers have noticed! Trainee driving instructor Stewart Henderson, 22, from Castleton, North Yorks, said: "Leonora is the hottest girl around."

"Please put her back in for me!" Here is a massive picture for you – and all Leonora's other fans.

ALMOST half of university students want to get steamy with one of their lecturers, an EXCLUSIVE survey has revealed.

The sex poll found that 40 per cent of students have fantasised over having sex with a teacher in the great halls of learning.

The results are from a new study tested on 1,000 British students, past and present.

Fresher's Week, a time of partying and heavy drinking, recently kicked off around the UK and is well known as a particularly raunchy time.

It was found that more than a third of men (37 per cent)

By **JACK MOTTERSHEAD**

jack@sundaysport.co.uk

and 29 per cent of women admitted to having slept with someone during Fresher's Week.

And while four out of 10 students have fantasised about having sex with a lecturer, only three per cent of both sexes have actually managed to do the deed.

Bonking

Half of those who have studied at uni said they have skipped a lecture because they were too busy bonking.

The survey was conducted

by kinky sex toy supplier *Lovehoney*, whose co-founder Richard Longhurst said: "University is a great environment to learn about sex, and many students say they peaked sexually while at university."

"However, most people's sex lives evolve and develop as they get older and sex become even more exciting in the years after graduation."

According to the poll, 38 per cent of students slept with between two and five people at university, 16 per cent of men and 13 per cent of women slept with between six and 10 people.

Only 10 per cent of men and eight per cent of women had

bedded 11 or more conquests. Roughly a quarter of the students asked had one sexual partner at uni and an unlucky 12 per cent didn't sleep with any.

Just over a third of students admitted to doing the dirty on a partner while they were at college.

With over half of men asked and 38 per cent of the women surveyed admitting that it was more difficult to stay faithful when you are at university.

Four out of 10 female students and one in three male students reckon that well-educated people are better in bed than those who have not been to college.

Amy Llewellyn says...

“WHETHER you went to university or not makes no difference on how good you are in the bedroom. I never went to uni but I have some of the best sex ever still!”

Jaime Kelly says...

“HAVING sex in the library would be one of the wildest things ever. I don't know whether I'd be able to stay quiet enough to avoid getting caught. I would definitely have been expelled at university!”

By JESS GALLEY jess@sundaysport.co.uk

SAUCY Sheila Grant loves nothing more than surprising her man by waiting **NAKED** for him to come home from work.

The busty model, from Newcastle, said the anticipation of waiting by the door for her lover to come home really turns her on.

And the 36E scorcher confessed that she makes sure she is ready to go, so her man can have her as soon as he sets foot in the house.

Toys

Sheila, 33, said: "I love to keep my fella satisfied, so when I know they've had a long day at the office I cheer them up by waiting completely naked by the door.

"I use my naughty toys while I wait – so I am completely in the mood by the time he gets home and he can have his wicked way with me straight away.

"And I love seeing the look on his face change when he sees his present waiting for him – already unwrapped!"

THE BOOKIE BASHER

LET MICK LIVESEY PUT YOU ON TO A SPORTS BETTING WINNER!

IN FORM: Juan Mata is a threat to Wolfsburg

REDS TO SILENCE NOT SO BIG BAD WOLF!

MAN UTD v WOLFSBURG

★ Wolfsburg head to Old Trafford searching for a change of fortune in England's green and pleasant land.

The last time they met was in 2009 and United did the double on them 2-1 at home and a Michael Owen hat-trick gave them a 3-1 victory out in Wolfsburg.

Last season Everton gave them a good hiding at Goodison Park in the Europa League beating them 4-1.

Don't be fooled though by these stats — Wolfsburg will provide a good test for LVG's Red Army. The wheels fell off last week for them against Bayern getting thumped 5-1 with Lewandowski running riot scoring five goals in just under nine minutes but that was their first defeat in 15.

Man United are sitting on top of the Premier League but European success is not only wanted, it is demanded. Failure to get out of this group would be a disaster for LVG.

This is the first time they have started the group stages with a defeat since Juventus beat them 1-0 in 1996 and they will want to get some points on board here. United are unbeaten in their last six home games in Europe, winning five and drawing one.

It will be an amazing atmosphere and I think United fans will see Martial, Rooney, Memphis and Mata combine to unlock this Wolfsburg defence and send the German's home empty handed. Get on United at 4/5.

ATL MADRID v BENFICA

★ Atletico look an absolute banker to me. Last season they won their three home games in the group stages with a 10-0 aggregate score. They

have won 21 of their last 24 home games in Europe.

The Rojiblancos are a powerful outfit these days in Europe and they started this year's campaign with a fine victory in Turkey, beating Galatasaray 2-0. Fernando Torres is back smiling, more importantly he is back scoring but Atletico have a tremendous squad who work so hard for each other.

Benfica do not travel well (albeit they don't have far to go here). Last season their away record at the group stages read lost two and drawn one.

They will have to produce something extraordinary to get a win at the Vicente Calderon stadium and I just don't see that happening.

Back Atletico at 8/13 or if you want something a little bigger look at them to win half-time and full-time at 6/4 or Torres to score and Atletico to win at 23/10.

LIVERPOOL v FC SION

★ Tomorrow night Liverpool face FC Sion in the Europa League and it's a game that they will win.

They got their European adventure off to a decent start getting a draw at Bordeaux and they have a fantastic opportunity to build on that. FC Sion won their first game against Rubin 2-1 at home but have since lost league games against Grasshoppers (2-0) and Vaduz (1-0).

Brendan Rodgers breathed a sigh of relief getting past Carlisle in the League Cup on penalties but then beat Aston Villa in the league and heads to this match in much better spirits.

A few wins and it will be crisis what crisis — just look at Man United. They sit just two points off a Cham-

pions League spot and in many respects they've got away with their dodgy period. It's the Merseyside Derby up next and they should go in having won back-to-back games.

Get on Liverpool at 8/15. If you want something bigger Sturridge to score and Liverpool to win at 6/4 or 11/8 Liverpool to win half-time and full-time.

TALKING POINT

★ Drought? What drought? England's strikers really fired this weekend. Roy Hodgson is going to have a major selection headache on his hands. Who would you pick?

Harry Kane is up and running after 12 hours and 28 minutes without a goal for Spurs!

@Sam Susan: One happy Spurs fan!!!! That's more like it. And he's off... #harrykane #COYS

Rooney bags his first league goal since April for Man Utd!

@WestWrites: We're number 1! We're number 1! And now the naysayers can **** about #Rooney not scoring! #MUFC

Sturridge is back from injury and back scoring for Liverpool. He scored twice, his first goals since March!

@LFCZA: Wonderful piece of quality by our number one striker. Whole place is lifted. #lfc #sturridge

I have to mention a couple of England strikers who's have definitely not been on a drought; Jamie Vardy scored for the fourth consecutive game while Theo Walcott made it 12 goals from his last 13 starts!

This tweet summed it; @moishenoe: #Rooney #Walcott #Sturridge #Kane and #Vardy all scored today. Roy #Hodgson is smiling himself to sleep tonight! @micklivesey

RUGBY WORLD CUP: ENGLAND FACING UP TO EARLY EXIT

SUB STANDARD

Clive blasts Stu for late changes

THE fallout from England's weekend defeat against Wales shows no sign of dying down.

Now World Cup winner Sir Clive Woodward has blasted coach Stuart Lancaster for making too many late changes.

The Red Rose shifted his team about in the final quarter as Wales went into the lead.

England had led by 10 points with less than 30 minutes to play before turning things around to bag a crucial win.

Now England have the tough task of being Australia on Saturday or the hosts' World Cup is over.

To make matters worse, the home side had the chance to kick a late penalty to secure a draw. But they went for the try instead and paid the price.

And Woodward is fuming over Lancaster's tactics.

He said: "England looked like a team of amateurs playing against streetwise professionals in the last 20 minutes at Twickenham."

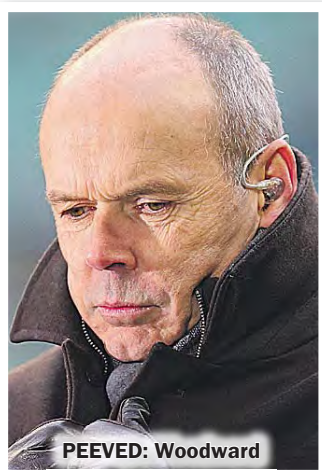

"They lost all momentum with their changes off the bench — changes which led directly to a Wales try — and then there was the confusion at the end over whether to go for a line-out or a penalty shot to draw the game."

"The irony is that Stuart Lancaster's big call in the week, brining in Owen Farrell and Sam Burgess in, actually worked well."

"I would have picked George Ford and Henry Slade to maintain England's attacking threat, but as a coach I fully understood the rationale behind the decisions. It was a limited game plan but it was working."

"But then came the replacements. There were a couple of injuries to Ben Youngs and Billy Vunipola but the others were not necessary and the late introduction of Ford made no sense at all."

"Why abandon a seemingly

PEEVED: Woodward

successful game plan? Yet again in the last 15-20 minutes, England didn't have the 15 players on the park you would want when the pressure is ramped up.

"Could you imagine this XV starting for England in a game of this importance? No, so why finish with it?"

And former England captain Will Carling has had a pop at skipper Chris Robshaw for that late call NOT to go for three points.

He said: "Three points down with two minutes to go and a bonus-point win over Fiji already in the bag — a draw would have been better for us than for Wales."

"I was horror struck when Robshaw decided against taking the shot."

"I would have gone for the kick at goal every time. Yes, it was a tough kick from close to the touch line with the clock ticking and the amount of scoreboard pressure. But Owen Farrell kicked beautifully all night."

"He hasn't missed and, what's more, hadn't looked like missing."

COCK-UP: Lancaster made too many changes

RECORD: Mitchell

Mitchell: I'll try to face Poms

DREW Mitchell hopes becoming Australia's record World Cup try-scorer will win him a start against England.

The Wallabies have come with what amounts to two separate teams — one for the so-called minnows and another to take on the big boys.

Mitchell starred as the Aussies beat Uruguay 65-3 at Villa Park as the back notched up his 12th try in the tournament overall.

And now he wants to show the same form against England at Twickers on Saturday.

He said: "There are far more important things that we're trying to achieve as a group, and hopefully there's a bigger outcome."

Selection

"In terms of pressing claims, it's more about me crossing the line and finishing."

"There's a lot of things that the selectors and the coaches will look at about things off the ball."

"I'll go back and sit down with them and have a look at my game."

"Hopefully, at least, my name is thrown into the ring for selection."

And Mitchell is keeping his trap shut about the Wallabies' chances of seeing off England — and dumping the hosts out of the tournament.

He said: "We've been really insular in terms of our focus."

"I thought the boys played really well on Wednesday against Fiji."

"They set a platform and we want to make sure we at least maintain it and take it further."

CLEARED: Wood

WOOD ESCAPES AUSSIE BAN

By CHRIS HARE

TOM WOOD has been given the all-clear to play against the Aussies.

The England flanker was just warned, rather than being cited, for walloping Wales full-back Liam Williams.

He was clattered in the head by Wood's leg and had to be carted off with 13 minutes left at Twickers on Saturday.

Concussion

The match commissioner decided not to go the whole hog when sanctioning him. So he's available for the must-win match against the Wallabies.

As for Williams, he will miss

tomorrow night's game against Fiji with concussion. It had looked a lot worse when he was taken off on a motor stretcher during the game.

A statement by the tournament organisers read: "Under the Rugby World Cup 2015 disciplinary programme, a citing commissioner warning equates to a yellow card in sanction."

"A combination of three yellow cards or citing commissioner warnings accumulated during the tournament will result in a hearing."

"Wood is therefore free to play

in England's next Pool A match against Australia."

Wood himself has never been in trouble with the authorities before and pointed out that he hadn't caught Williams deliberately and he was merely trying to clear the ball.

Tilt

He said: "The outcome was not something I intended obviously. It's something I'm not proud of, but there was no intent there."

"Would I have done anything differently? Probably not because the ball was bouncing at my feet and I was at full tilt looking for the ball. It was unfortunate I

caught him sweet with the shin. It's hard to watch when someone is in that condition on the floor."

"We all take our turn at that. I'm sorry for the outcome 100 per cent. I'm told he's on his feet and moving around as normal which is quite a relief."

"He was in the shower when I went into Wales' changing room, but I caught up with a few of their players and they assured me he was on his feet and feeling better and moving around OK."

"That's a huge relief because there's an element of guilt there."

"It wasn't intentional and I hate to see a player leave the field that way."

COWAN HAS SCOT A SECOND CHANCE

By WILL BEAUMONT

BLAIR Cowan has told Scotland coach Vern Cotter not to think twice about picking him to face South Africa on Saturday.

The London Irish flanker has been called into the squad after lock Grant Gilchrist went down with a groin strain.

It was a shock when the forward missed out on the original selection — and now he wants to make up for lost time.

He said: "They know what I can do. I don't need to prove myself. I just want to come up here and be positive. Even if it's just in training, I'll just bring some energy."

"And if I'm called up to play on Saturday am I ready? Just show me the jersey."

Cowan was born in New Zealand but has a Glasgow-born mother and there's no more proud Scot around.

Roller-coaster

And he was gutted to miss the cut originally.

He added: "It was devastating. I was hugely aware that not making it was a big possibility because of the performances the other boys were putting out there."

"But I've been through it all before. My career has been a bit of a roller-coaster ride so know there are peaks and troughs you can go through."

"I just had to stay on my toes. There are some tight turnarounds at the World Cup so it's inevitable that injuries would happen. Just look at Wales, they've had it tough."

"So to get the call-up is sensational. It's every man's dream. It's just a shame it comes on the back of someone hurting themselves."

"I just saw the boys when I arrived and I was kind of caught off-guard by how stoked I was to see them. I was quite emotional. I'm just excited to be part of a World Cup now."

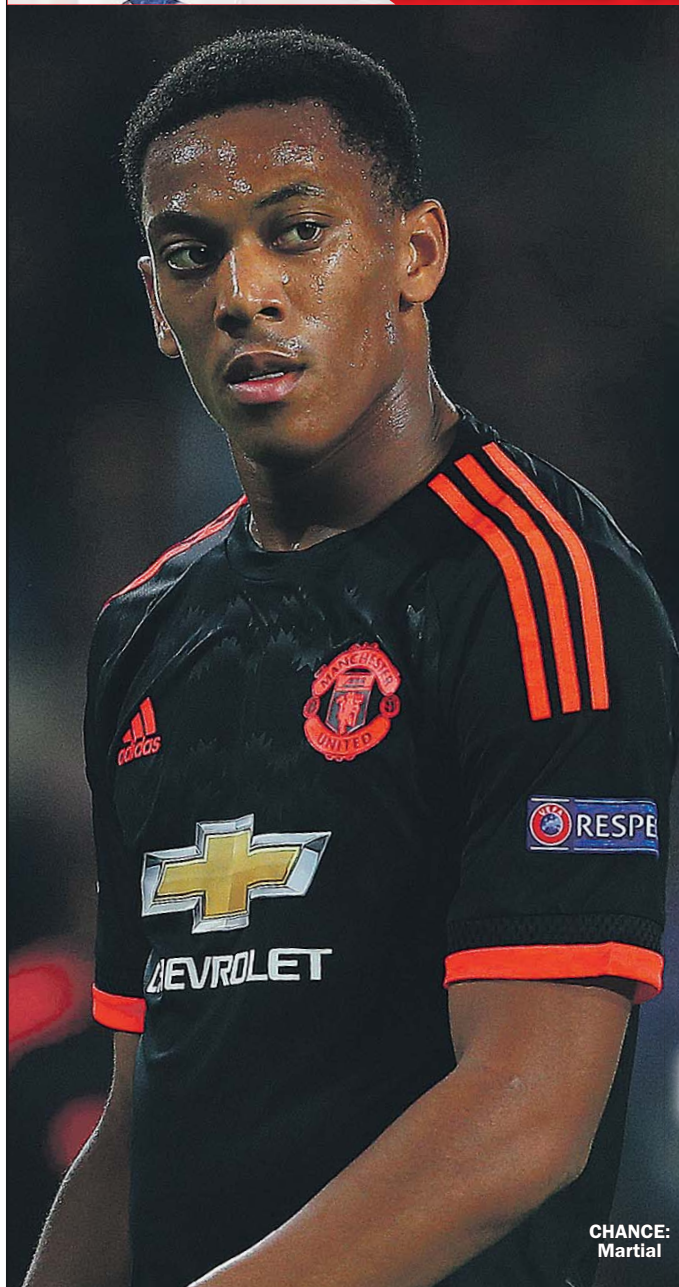

The 29-year-old has won 11 caps so it wouldn't be a risk to throw him in against the side that lost to Japan.

He added: "You'd have just seen a dust shadow as I jumped off the couch to pack my bags once I got the call to be in the squad."

CHARLIE MCCANN

WITH HIS SPORTING ODDS AND ENDS

CHANCE:
Martial

Martial law to prevail at Old Trafford

ANTHONY Martial has made a cracking start to his Man United career but he has yet to score in over 500 minutes of Champions League action.

But he might never have a better opportunity than tonight when troubled Wolfsburg travel to Old Trafford.

No German side has kept a clean sheet in the last 16 ties with United in the CL and Wolfsburg have conceded eight goals in their last three visits to England in European competition.

The Premier League leaders (didn't think I'd be writing that a month ago!) are a shade of odds on at 4/5 with the draw at 29/10 and the visitors 15/4.

German car manufacturer Volkswagen own the Bundesliga club and they have, of course, been naughty boys having been caught allegedly fiddling with car emissions and looking down the barrel of an £11bn fine in the States.

This shadow over the long term finances of the club must have a demotivating effect on the team

ANT CAN END EUROPEAN DROUGHT

although they are not alone given VW sponsor about half of the 36 clubs that make up Germany's top two divisions!

Wolfsburg won their opening game in the Group against CSKA Moscow and they are 6/4 joint favourites with this progressive United side to top the Group with PSV 5s and Moscow 6s.

A win for both home sides this evening, as in Matchday One, would see us back to square one in the Group and United won't be 6/4 if they keep the points tonight.

City travel to Germany having lost three of their last four in all competitions and their brilliant start to the campaign suddenly seems a long time ago.

Tonight's opponents Borussia Monchengladbach had a poor start both domestically and in the CL but they have

won their last two in the Bundesliga although this is a game City just cannot afford to lose given their home defeat to Juve in week one.

City are 10/11 at BetVictor to win this evening and they were excellent in the first 25 minutes at White Hart Lane before their second half surrender.

They need to stand up and be counted tonight and I expect them to return to winning ways. They badly missed skipper Vincent Kompany at the Lane and this is a big game for new signing Nicolas Otamendi who looked anything but a £30m player.

Last season's Bundesliga Player of the Year Kevin De Bruyne returns to Germany and the former Wolfsburg star is 15/2 to score the opener behind 10/3 Sergio Aguero; I can't see past a City win but

expect both sides to score which is priced at 5/2.

City are 3/1 to win the Group after their loss to the Italian Champions at the Etihad and still 4/7 to qualify; this is a game they cannot afford to lose against a side I expect to see propping up the table.

Defeat would make it very difficult for the Premier League favourites to make it through to the knock out stages but I fancy a 3-1 away win which is 14/1 at BetVictor. City are 16/1 to lift the CL trophy in Milan next May (United 25s) and if they are realistic contenders they must win against a side who currently sit 14th of 18 in the Bundesliga.

The double for both Manchester sides to win is 5/2 at BetVictor and that is a confident recommendation.

QUALITY: Deulofeu

Martinez: Gerard is ready for derby Deul

EVERTON manager Roberto Martinez thinks he has a real gem in winger Gerard Deulofeu.

The Spaniard was in red-hot form as the Toffees came from behind to beat West Brom on Monday night.

He set up the final two goals at the Hawthorns on his first Premier League start of the season.

That put the Blues on the verge of the Champions League places and gave them a big boost ahead of Sunday's Merseyside Derby.

Martinez said: "He is always measured by what he doesn't do for the team, but we all know the quality he has."

"What I thought today was that he showed he has the maturity to understand adversity."

"He never lost concentration, he never lost focus and he had two fantastic assists."

"But on top of that he wanted to stay on the pitch."

"Any other player of his type, once he's done his job and assisted the winner, would be quite happy to get off and put his feet up."

Favourites

"He's an incredible boy now. He has that understanding of what the team needs."

"He wanted to work hard and to stay there and be part of the winning team finishing the game."

"He has earned his starting position and I was pleased in the manner he played in the second half."

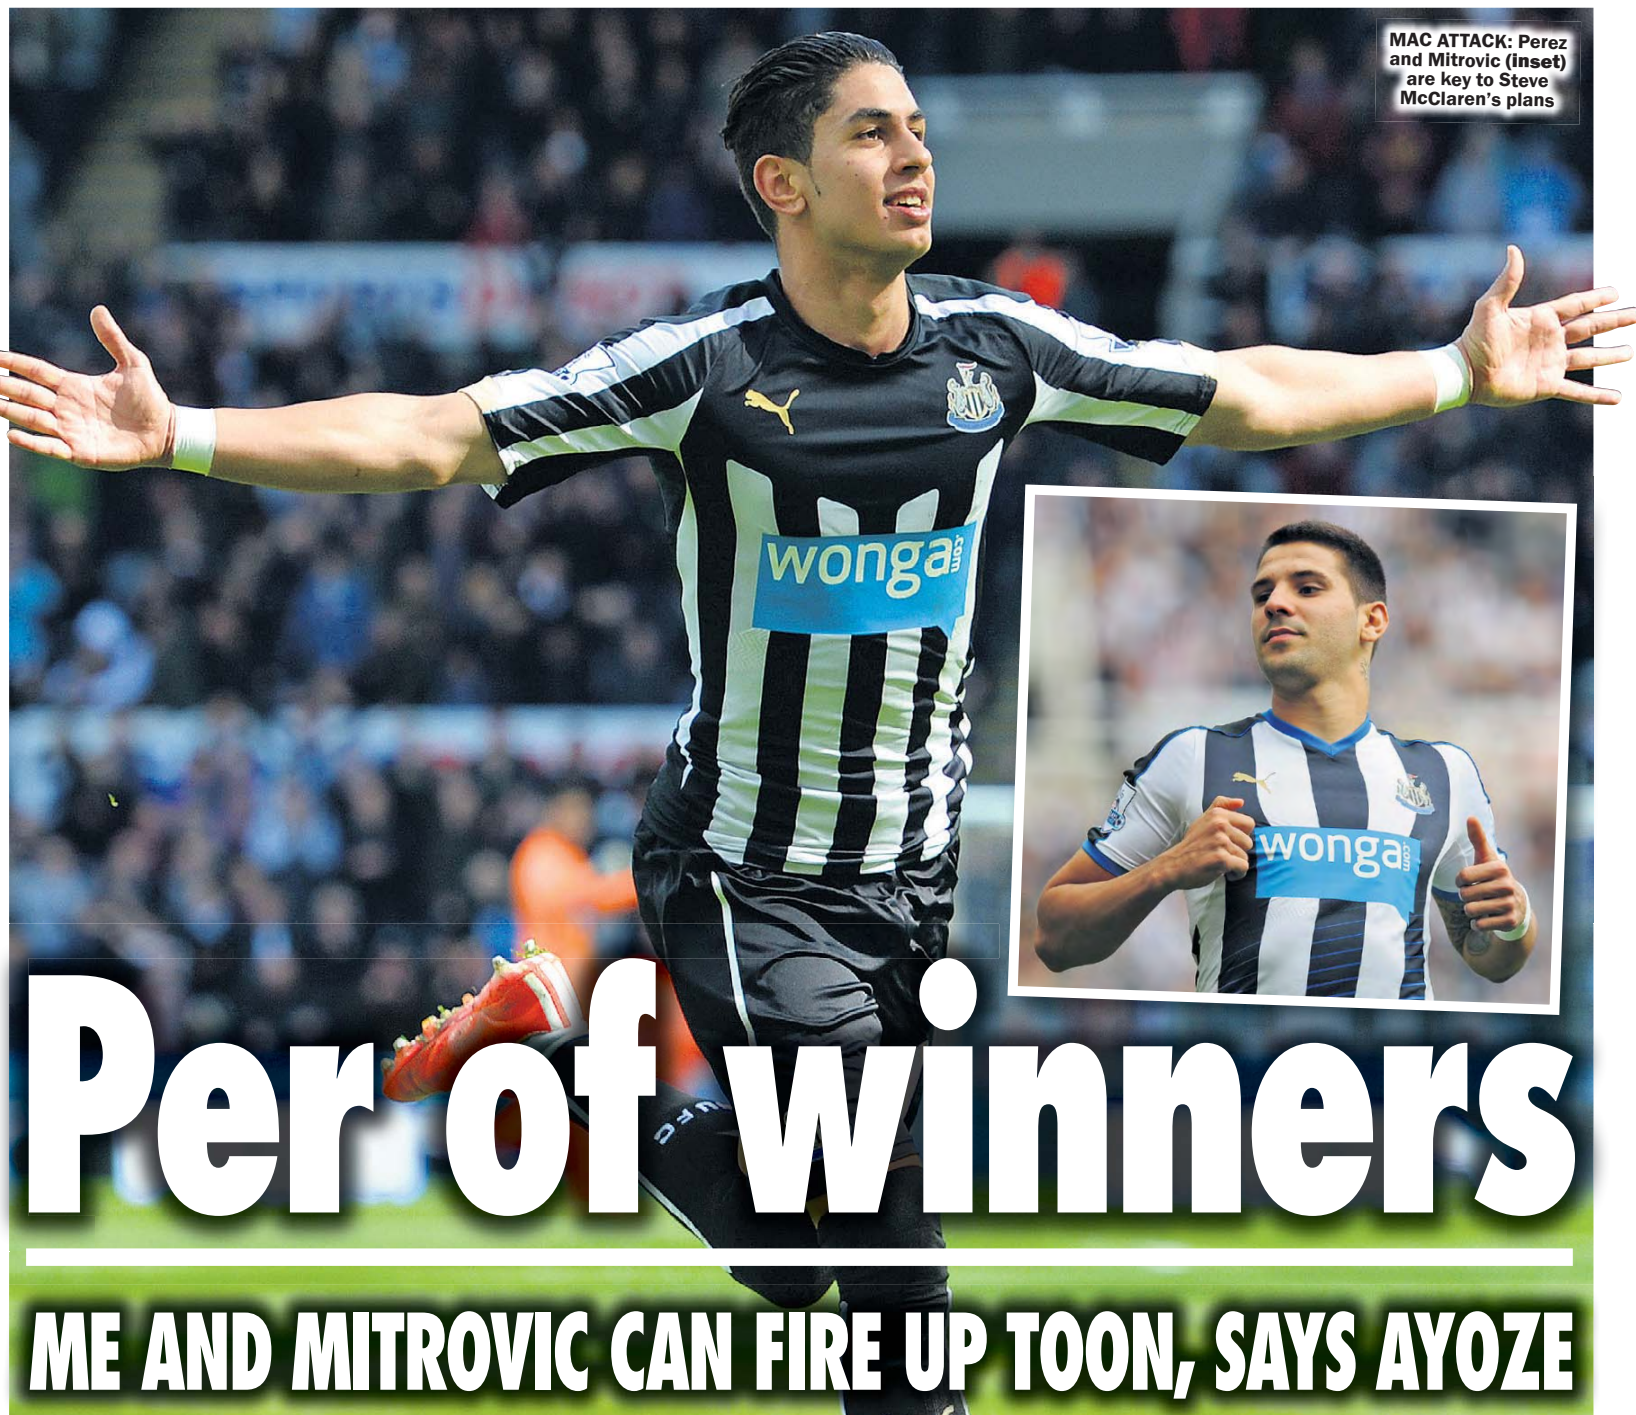

Liverpool legend Jamie Carragher thinks Everton's form makes them hot favourites for the clash with Liverpool at Goodison Park.

He said: "The Evertonians are getting very confident and maybe rightly so because of the form Liverpool have been in."

"For Everton to go and get that big win, they'll be favourites going into the Derby."

"With the form both sides are in, they're at home as well and then they will be looking to create a gap of five points if they can win."

"Roberto Martinez has been talking about the top four and I think that will be very difficult, but it certainly pushes them very close if they can get results in the next two games."

MAC ATTACK: Perez and Mitrovic (inset) are key to Steve McClaren's plans

looking for their first win of the campaign.

But there's no doubt that they looked threatening with two men up top — even Mitrovic managed to behave himself, although he still hasn't scored!

But that doesn't bother Perez, who thinks it's only a matter of time before the pairing start firing the Toon up the table.

He said: "We both felt comfortable together, closer. We kept speaking to each

other about what we wanted to do."

"I think we showed we can score many goals together."

"We played as a team and that's the key to playing in the Premier League."

And Perez thinks the team can use the display against Chelsea as a springboard to get their season going.

He added: "We have to keep this standard and we don't have excuses."

"We have done all the work and that's what we have to do against any team. "Getting a victory was

really close against Chelsea, but we have to work to get it as soon as possible."

"We have many, many qualities in the squad and we can win against any team."

Freedom

"That's what we have to think and believe."

McClaren echoes Perez's thoughts and hints that 4-4-2 will be the recipe for success as the Toon move on.

He says only injuries have stopped playing that formation until now — and it could be here to stay. The

gaffer said: "We were close before but we have not had Mitrovic for three games and we need that."

"For the way we want to play, he is such an important part of it."

"If you do not have that presence and that ability, Perez does not have the freedom to play like he does."

"That is what pleased me the most. When you are building and growing, that is what you need."

"They have belief and you have belief. So we can go on from this. That is what my feeling is."

NEW BOYS FAIL FOR BLACK CATS

SUNDERLAND boss Dick Advocaat says he's disappointed with the performance of his summer signings.

The Black Cats coughed up the best part of £30million, but find themselves anchored to the bottom of the league after a disastrous start to the season.

And although he hasn't singled out Jeremain Lens, the £12.5m capture has been a massive flop in his short time at the Stadium Of Light.

And Advocaat (left) is looking for more from him, Fabio Borini, Sebastian Coates and Younes Kaboul.

He said: "It's difficult because

we brought in some new players and you hope that they will do well, along with the players that are already here."

"But, at the moment, they don't seem to be making any difference at all."

But the Dutchman has taken the unusual step of pointing the finger of blame at Adam Johnson for some particular criticism.

He was dragged off at half-time during the 3-0 defeat at Manchester United and big Dick isn't happy with the winger's effort during the game.

He said: "What I don't like to do is blame players."

"If you win, you win together —

and you lose together too. But when somebody asked me if I thought Adam Johnson had a bad game, I had to agree with him."

"He's a player who, with his touch, can do something, but if he starts giving the ball away then it's very simple."

Fault

"The second goal after half-time was also a joke."

"We were well organised in the first half and managed to play a bit."

"But when they got the second goal, the game was over."

And Black Cats midfielder Yann M'Vila echoes the

manager's idea that the players have to take their share of the blame.

He said: "It's not the fault of the manager at all, like some people are saying."

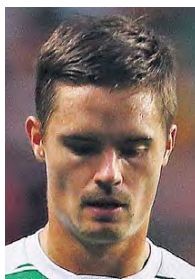

"It's completely the fault of the players at the moment."

"The coach works very hard, he talks to us and is a motivator."

"For me, he has given me the confidence to play my natural game."

"We should be giving everything for the supporters of Sunderland."

"It's not the coach. For me, it's a question of mentality from the players."

CHALLENGE: Lustig

Big names have Mik Lusting for Euro game

Celtic v Fenerbahce

Thursday, 8.05pm, BT Sport 2

CELTIC defender Mikael Lustig reckons the Europa League can be a welcome distraction from their domestic problems.

The Hoops have lost their usual spot at the top of the Scottish Premiership after losing to Aberdeen and drawing against Hearts at the weekend.

Now they face a real challenge against Turkish giants Fenerbahce.

But Lustig thinks it gives the Hoops a chance to bounce back from their recent struggles.

Celtic were unlucky to come away from Ajax with no more than a 2-2 draw from the last round of games.

And they can give the Turks a good game at Celtic Park tomorrow.

Lustig said: "It's going to be difficult, but while we are a bit sad at drawing with Hearts we need to lift ourselves.

"In Europe we won't get as many chances as we did against Hearts.

"When chances come our way we need to score as we did against Ajax.

"In Europe when we get opportunities we need to make sure they count."

Exciting

And Lustig thinks the Celtic faithful will welcome the chance to see their side in action against some famous names.

Fenerbahce have Robin van Persie and Nani in attack alongside former Liverpool midfielder Raul Meireles and Denmark star Simon Kjær.

If they all perform, Celtic will have to be at their very best to bag the points.

Lustig added: "It's especially exciting for the fans. They see the big names from Fenerbahce and they prefer that.

"We could have drawn someone like Krasnodar from Russia – a team that doesn't have the big names but are still a good side.

"Hopefully we can get the European atmosphere that makes Celtic Park special and we can then respond.

"It's a really big game and we need to stay focused and go through the group. We want to be in Europe as long as possible.

"When it's a big team with big names in it then it makes it a little bit more special."

DESPERATE DAN!

Rodgers prays star striker can stay fit

By ANDY MILLOM

BRENDAN RODGERS says all his problems can be solved by one player – Daniel Sturridge.

The under-fire Liverpool boss reckons the club's slump in form only started when his star striker got crocked.

And he thinks the return of the England hitman can turn around the Kop's fortunes.

Sturridge bagged his first goals for five months as Liverpool beat Aston Villa 3-2 on Saturday.

He's not sure to figure against FC Sion in the Europa League as Rodgers nurses his main man back to full fitness.

But he's in no doubt that Sturridge can fire the Reds back into the hunt for a Champions League place.

Rodgers said: "Players like that make the difference.

"We haven't scored three goals since he last started a game.

"He gives you a big opportunity to win games and compete at the top end of the table.

"He is a fantastic talent and now the job is hopefully he can stay fit."

It has been a frustrating year for Sturridge who played a measly 12 times in all competitions last season.

He picked up his main injury when on England duty – and there's no doubt that Liverpool suffered without him.

Mario Balotelli was the only fit striker at Anfield for long periods and even then Rodgers didn't want to pick him.

Now the Kop boss feels like he's got a new signing, even though it will take time for Sturridge to hit top speed.

But once he does, the Northern

Irishman is expecting a marked upturn for the Reds.

He added: "Sturridge is in that elite band of player that we've seen here.

"We've seen here the brand of football we can create when we have that talent available.

"He played a massive part in that, so if he stays fit and others come into the reckoning we can piece together an exciting team again.

"Those players make the difference."

Rodgers plan this season was to play Sturridge alongside £32million signing Christian Benteke, with Danny Ings as back-up.

But the former Burnley man has impressed since coming in for the injured Benteke and at least one Kop legend wants him to keep his place for Sunday's Merseyside Derby.

John Aldridge thinks the England youngster has made more of an impact than the Belgian (left) with his workrate and goal threat.

Aldo said: "I would leave the forwards as they were against Villa, with Ings and Sturridge.

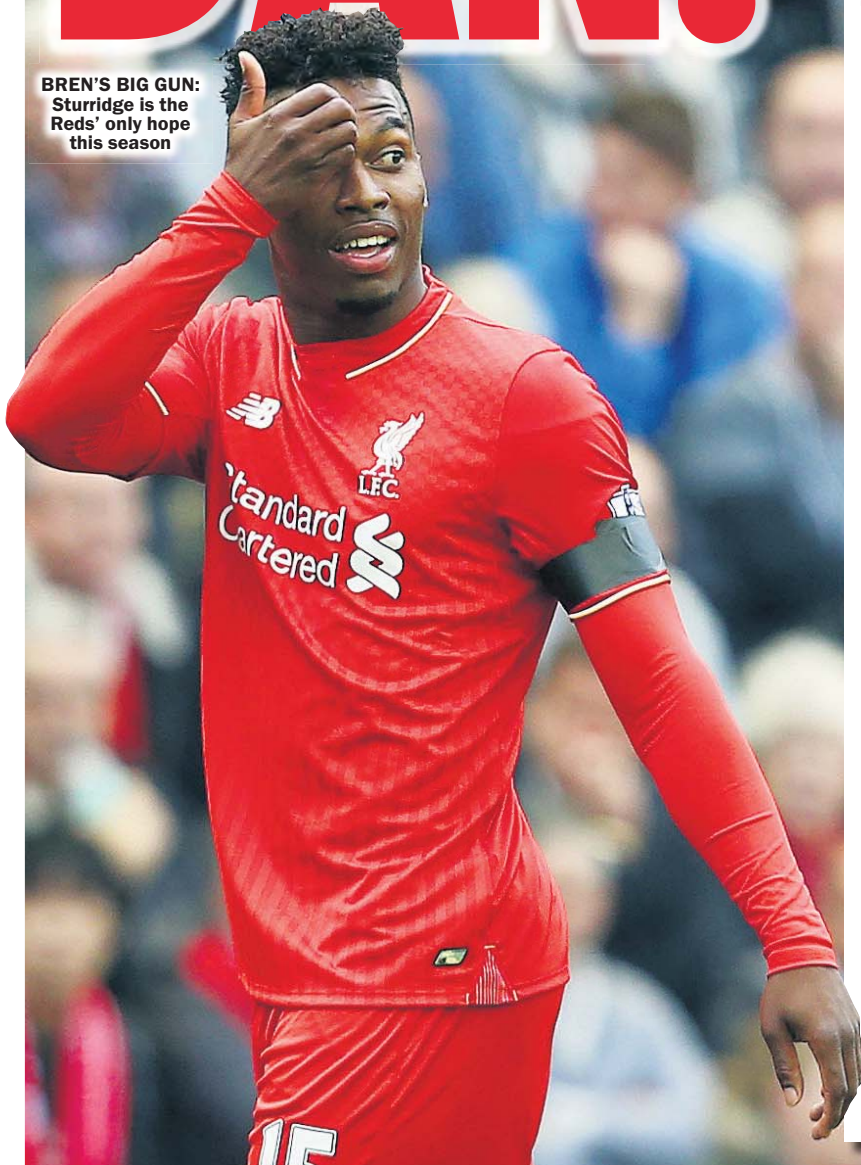

"It's a big call, but Benteke has got a fight on his hands now to get his place back. Ings has come in, performed well, scored a couple of goals and impressed everybody with his work-rate.

"I like the way he and Sturridge looked up front on Saturday.

"The movement was good, they stretched the game, worked well together, and created chances.

"You could see the signs of a relationship developing there."

BREN'S BIG GUN: Sturridge is the Reds' only hope this season

HARD WORK SPURS POCH'S MEN

MAURICIO POCHETTINO has transformed his Tottenham side from shirkers to workers, says Gary Neville.

The England coach is full of praise for the way the Argie (left) has turned his players into the league's hardest battlers.

Tottenham showed their fitness when overwhelming Manchester City in the second-half on Saturday, running out 4-1 winners.

That was their third win on the bounce and Neville has been impressed by the way it's a real team effort these days.

That teamwork will be a major

Monaco v Tottenham

Thursday, 6pm, live on BT Sport Europe

asset as Spurs face a difficult trip to the south of France to face Monaco tomorrow.

But Neville is confident that the Londoners can keep up their good run.

He said: "When Pochettino went into that club he will not have enjoyed what he saw.

"I think what he's had to do in the last 12 to 18 months is knock the house down and try to rebuild it again.

"If you look at what he's done,

he's transformed the team and definitely got a better bunch of lads.

"It's a culture of being a bit flimsy. You'd never say they were the hardest-working team in the league.

Transforming

"You'd say they're a bit weak and he's trying to transform that.

"It looks to me like Daniel Levy is approaching things a bit differently. He's rid himself of Franco Baldini and he's going with Pochettino and his backroom staff.

"They're going with a more

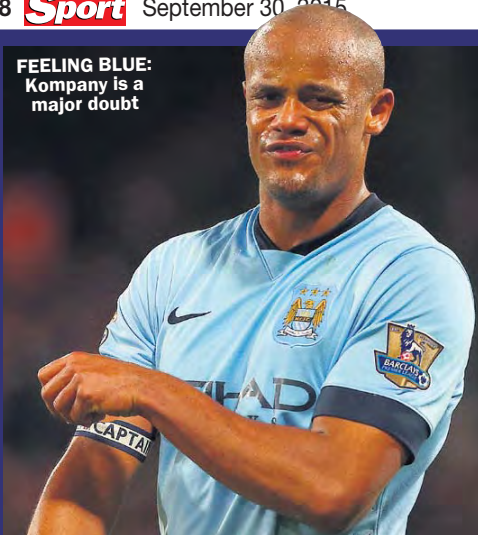

balanced approach and there are certainly signs now that Pochettino is having an effect.

"With Tottenham, the average age is 23 which is the youngest in the league and he's not just transforming a team there, he's transforming a culture.

"I don't think he's got the best team in the world and I don't think they'll finish in the top four. But you just have to look at the work ethic in winning the ball back.

"Pochettino teams work damn hard and that's not something that Tottenham have always done."

FEELING BLUE:
Kompany is a
major doubt

No Kompany for Pellegrini on Kraut trip

Borussia Monchengladbach v Manchester City

Champions League Group D: Wednesday, 7.45pm, live on BT Sport 2

MANCHESTER CITY face a defensive crisis ahead of their must-win Champions League clash in Germany.

Skipper Vincent Kompany and Eliaquim Mangala were forced to sit out of yesterday's training session ahead of the clash with Monchengladbach.

The Belgian was a huge miss when City crashed 4-1 against Tottenham at the weekend when new boy Nicolas Otamendi looked more than uncomfortable next to Martin Demichelis.

The Blues' hopes of winning in Germany look dodgy if those two are at the heart of the defence.

And manager Manuel Pellegrini doesn't expect to have his captain back.

He said: "I don't think Vincent will be able to play on Wednesday."

Problem

"At the start of the Tottenham game he was fit to be on the bench."

"In the warm-up, he felt also some problem in his calf."

"We will see in the way he develops."

And there could be problems in midfield as well with Yaya Toure also unable to train.

The City gaffer confirmed: "Yaya has some problem with his hamstring."

"We don't know if he will be fit. We must wait to decide if they are 100 per cent."

At least Joe Hart

MISSING: Mangala

should be fit again after Willy Caballero's uncertain display at White Hart Lane.

He played a full part in the pre-match training session and looks to have recovered from the back problem that forced him out against Spurs.

City need to win after going down 2-1 at home to Juventus in the opening round of matches in Group D.

CHAMPIONS LEAGUE GROUP B:

I'M A BAST MASTER

Schweinsteiger using all his wisdom to help young Reds

NEW signing Bastian Schweinsteiger says he'll use all his experience to help Man United get back to Europe's top.

The former Bayern Munich skipper has one of the most impressive medal collections in football.

He's won German titles, the World Cup and the Champions League — so he's not panicking about United losing their first Group B game against PSV.

But he also knows that the Reds can't afford to slip up against Wolfsburg at Old Trafford tonight.

Another defeat would leave Louis van Gaal's side with a mountain to climb on their return to Europe's top table.

There are several young

By **PAUL THOMAS**

players in the United line-up who are short on Champions League experience.

Anthony Martial and Memphis Depay are showing signs of being key men at Old Trafford — but the team looked naive in Eindhoven last time.

United were on top for much of the game, but didn't turn chances into goals and were hit by a late sucker punch by the home side.

And Schweinsteiger says he'll do everything he can to help the new players settle in — both at home and on the continent.

The 31-year-old said: "I will try to guide them, of course."

"I have played a lot of matches at that level and it

is always a little bit different to Premier League and Bundesliga games.

"It is always a special night when you walk onto the field and the anthem comes on."

"It is a big honour to play Champions League games, so I will try to give my best and try to help my younger team-mates."

Quality

And the German has been impressed with the impact both players have had since coming to Manchester.

There was some ridiculous grumbling about Depay not being worth his big fee before he scored his first league goal against Sunderland.

At the same time, Martial is already a firm favourite with the Stretford End having scored in his first

three games since moving from Monaco.

No new signing has done that for more than 40 years. And Schweinsteiger thinks there's a lot more to come from both players.

He said: "They are both very young but both very talented."

"If they make the right decisions and take the right steps in the future, then they can give a lot of power to Manchester United."

"The most important thing is that they have a good personality and a good character, and they do."

"That is what's most important, with their quality they can achieve a lot."

Team-mate Chris Smalling has also been impressed by Martial's start in a United shirt.

He said: "If you could ask

THE YOUNG ONES: Depay scores against PSV and is one of the players that Schweinsteiger (left) wants to nurture

for a moment to announce yourself on the world stage, it would be in a massive game like Liverpool at home.

"It was a great moment and a lot of people took notice of how well he dribbled at players, how direct he was and how he took his goal.

Worries

"In that snippet against Liverpool, you get a real idea of how he is. He is one who is very direct, he is willing to take on players and he is willing to take on that risk.

"He looks a very sharp player."

The defeat at PSV has turned up the heat under this fixture and United have some injury worries before taking on Kevin de Bruyne's former club.

A quartet of likely first-teamers were missing from

the team's training session yesterday morning.

Michael Carrick, Ander Herrera, Antonio Valencia and Marcos Rojo were all on the sidelines.

Rojo is carrying a hamstring problem, but it was a surprise to see Valencia and Carrick miss out as they figured against Sunderland at the weekend.

And even now that De Bruyne has joined City, Carrick is expecting a tough test from Wolfsburg.

He said: "From what I've seen, they are a good team.

"For German teams to qualify through that league, they must be strong and you have must take them seriously.

"It will be a tough game but there are not really any easy games in the Champions League."

OUT: Wilson

Cherries lose Wilson for at least six months

PREMIER League top scorer Callum Wilson will be out for at least SIX months with a knee injury.

The Bournemouth forward was carried off against Stoke at the weekend and scans have confirmed the worst.

He has ruptured the anterior cruciate ligament in his right knee.

The 23-year-old was on the verge of the England squad after scoring five goals — but he might not play again this term.

Even if he does come back, he's unlikely to be match fit until the next season.

And it's a huge blow for the Cherries who had made a reasonable start to their first ever season in the top flight.

Boss Eddie Howe said: "It's very disappointing for Callum, after what has been an exceptional start, but I am sure he will come back fitter and stronger.

"Callum is the type of character who won't be fazed by such a set-back, and I am sure he will turn this experience into a positive in the long run.

Impact

"Yet this offers others the opportunity to step up to the plate, show everybody what they can do and make a real impact at this level."

Bournemouth have now been hit by a TRIPLE injury jinx.

They have already lost their record £8million signing Tyrone Mings for the rest of the season and it will be April before £7m man Max Gradel is fit again.

That could have a massive impact on the Cherries' chances of staying in the Premier League.

They have slipped into the bottom five after losing against Stoke and face a real fight without their key forwards.

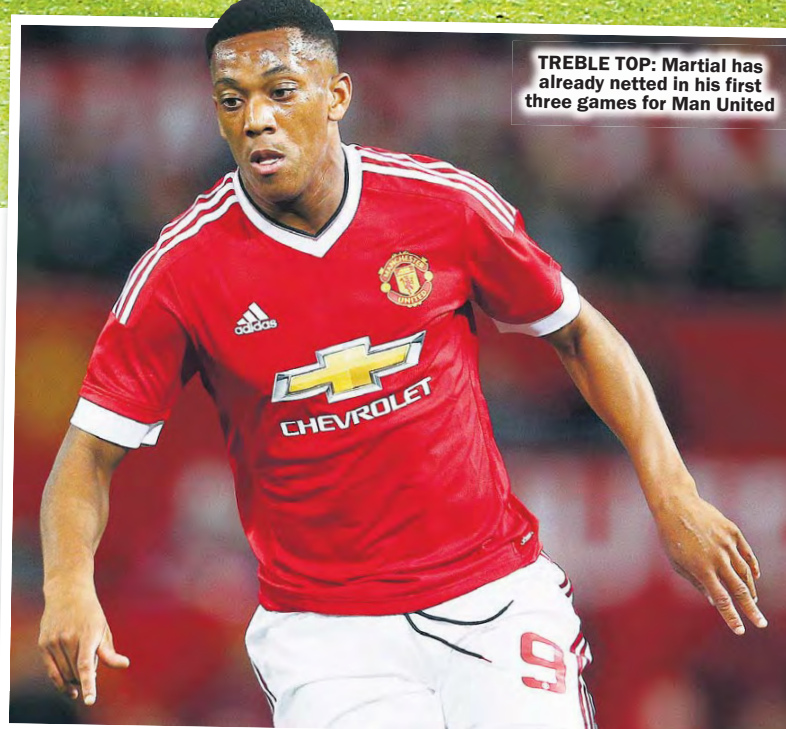

Howe added: "It does make it very difficult for us to recover.

"When you lose your best player any team will suffer, that's well known at this level.

"Callum is unique for us in that he is a goalscorer and he gives us a different dynamic in the way that we play.

"But we will have to make the team work if he is out for a period of time. That is the challenge for a manager."

WAYNE REVEALS HIS OLD TRAFFORD DREAM

BRING RONNEY HOME!

TOP TEAM: Rooney and Ronaldo were dynamite for Manchester United

Rooney wants to play with Cristiano again

WAYNE ROONEY has revealed his greatest wish in football – to play in the same team as Cristiano Ronaldo once more.

Manchester United have been linked with an amazing £90million move to sign their old boy back from Real Madrid.

And that would make Rooney one happy man.

The England captain says Ronaldo is by far the best player he has ever played

By PAUL THOMAS

with. And he revealed a dressing room secret in that the Portuguese ace was known as “the pitbull” at Old Trafford because of his strength.

He would love United to get Ronaldo back and it could happen next summer.

Rooney said: “Cristiano was a fantastic team player and he scored goals.

“He helped me a lot when I played in the same team.

“I miss him to play with. In the future, nobody knows,

maybe we will play together again one day.”

And Rooney has put his side of the story about the supposed transfer request two years ago – saying it NEVER happened.

Move

There’s no doubt that relations with Sir Alex Ferguson became strained when he was dropped from the team.

The United captain says he spoke to Sir Alex about it but things never went any further than that.

Rooney said: “I went to see

him and just said if you are not going to play me it might be better if I were to move on then.

“Then it was all over the press I had put transfer request in, which I never did.

“I don’t know why it came out that way.”
